

APPENDIX II

EU ASIA-PRO ECO PROJECT SUMMARY SHEET

- 1) **Title of Proposal:** Partnership support for renewable energy between European and Asian towns
- 2) **Programme Component:** Technology Partnership
- 3) **Types of Activity:** Training courses, training material, seminars, publications
- 4) **Duration of the Project (in months):** 18
- 5) **Project Abstract:**
 - a) The Project objectives
 - To develop an appropriate framework to undertake renewable energy initiatives
 - To promote sustainable development through partnerships, citizens involvement and local business (wherever expertise is available)
 - To reduce negative energy-related environmental impacts through good practice, developing awareness on alternative routes and promoting energy efficiency:
 - b) Brief Keyword Description of the main Activities (50-100 words)

Baseline energy-related research and information gathering in partner towns

Identification of key renewable energy/ energy efficiency technologies for local area

Preparation of energy-related case studies and training material

Seminar/workshop in each of the partner towns discussing strategies for renewable energy and energy efficiency focussing on selected technologies, based on methodology used in EC supported SIREN project.

Follow up of workshop, including support for implementation of agreed projects

Final conference comparing outcomes of workshops and drawing conclusions
 - c) Milestones/Key Indicators

Reports on research/information gathering stages and workshop

Case studies and training material

Seminar/workshop involving local residents, businesses and experts and municipal officers in partner towns
- 6) **Applicant details:**

Institution name: Leicester Energy Agency (Leicester City Council)

Address: Leicester Energy Efficiency Centre, 2-4 Market Place South, Leicester. LE1 5HB

Country: United Kingdom

Contact person: Don Lack

Tel: 0116 299 5132

Fax: 0116 299 5137

E-mail: Don.Lack@energy-advice.co.uk

7) Partners' details:

N°	Partner Institution	Country	Contact person/email
1	Rajkot Municipal Corporation Dhebar Road Rajkot – 360 001 Gujarat	India	Name: Dr. B R Ambedkar Bhawan Tel.: +91 0281 224 1947 Fax: +91 0281 222 4258 E-mail: rmc_commissioner@yahoo.co.in
2	ENERGAIA–Energy Management Agency of Gaia, Rua Teixeira Lopes 96 4400-320 Vila Nova de Gaia	Portugal	Name: Vasco Ferreira Tel.: + 351 22 371 97 39 Fax: + 351 22 371 97 38 E-mail: vferreira@energaia.pt
