TRADING ORGANISATIONS – 2004/2005 BUDGETS

REPORT OF THE CHIEF FINANCE OFFICER

1. PURPOSE OF THE REPORT.

- 1.1 In accordance with Finance Procedure Rules, budgets for trading organisations are submitted to Cabinet for approval.
- 1.2 This report details all the councils trading organisations and their 2004/2005 budgets. The report also outlines policies in respect of the use of any retained surpluses of the trading organisation.

2. SUMMARY OF THE REPORT.

- 2.1 Trading organisations are services provided to users on a basis other than a straightforward recharge of cost, such as a quoted price or a schedule of rates. The Council operates a number of trading organisations and these are detailed further in Appendix A.
- 2.2 Prior to the beginning of each year, the relevant director sets a budget for each trading organisation in accordance with a time scale and guidance given by the Chief Finance Officer.
- 2.3 The budget shall be set to ensure that the trading organisation breaks even (i.e. neither makes a loss nor aims to charge clients more than the cost of its activities). Appendix A details the estimated overall expenditure for each trading unit. Service departments will be charged in accordance with existing agreements for services provided by each trading unit.
- 2.4 Directors responsible for trading organisations shall ensure that each organisation achieves its budgeted return. It is possible for surpluses to be achieved where demand varies and/or external work commissioned. Section 4 sets out departmental policies relating to any such surpluses.
