PROGRESS SINCE LAST MEETING

LITTERING

Littering patrols continue in hotspot areas and further targeted enforcement days are planned.

FLY-TIPPING

There has been an increase in fly tipping in the area, however I am continuing to investigate incidents and 1 Fixed Penalty Notice has been issued in relation to a fly tip that occurred on Goodwood Road.

DOG FOULING

I am currently working with Park Services to educate dog owners of their responsibilities on cleaning up after their dogs. There has been a lot of Dog Fouling Reports on Cordery Road and the Entrance to the Evington Park Education work has been done and targeted patrols have been planned.

BIRD FEEDING

Bird Feeding incidents on Cordery Road are still ongoing, but we are trying to catch those responsible. Extra patrols have been put in place to try and tackle the issue. A leaflet drop has been done in and around the area.

NEW ENFORCEMENT

We are now enforcing on unlicensed skips, scaffolding and building materials left on the highway.

We have recently gained powers under area environment health to address blocked alley ways and private land.

VEHICLES FOR SALE ON THE HIGHWAY

There has been a slight increase of vehicles for sale on Goodwood Road. I have trailed a new notice in other areas and it has been successful, so I will be now doing this in Evington.
