- ✘ It's taken from the 2011 Census, and other sources**

## **PARISH AUDIT REPORT – WHAT IS IT? (2)**

- ✘ It includes interviews with key workers**
- ✘ It also includes observation walks, over every street in the parish**
- ✘ It follows a similar audit, done 10 years ago**

## **PARISH AUDIT REPORT – HEADLINES (1)**

- × Braunstone is younger than the city average (which is younger than the national average)**
- × Braunstone is less white than 10 years ago (from over 90% to under 75%)**

## **PARISH AUDIT REPORT – HEADLINES (2)**

- ✘ Braunstone is still educationally deprived, but its schools have made spectacular progress in the last 10 years**
- ✘ Braunstone's health has also improved in the last 10 years**

## **PARISH AUDIT REPORT – HEADLINES (3)**

- ✘ Braunstone has areas of high % of single parents and young children, and different areas with high % of elderly people: these areas have different but important needs**

## **PARISH AUDIT REPORT – HEADLINES (4)**

- × Braunstone has low % of car ownership, which makes public transport more than usually important**
- × Braunstone has areas of high unemployment – these coincide with lowest car ownership, which makes the need for good public transport more acute**

## **PARISH AUDIT REPORT – HEADLINES (5)**

- × Braunstone has a stable community, which makes a virtue of low social mobility**
- × Braunstone has many well-built family homes, leading to a high impact of the bedroom tax**
