## **Representation**

I wish to make representation in connection with this application for a temporary event notice (TEN) as I consider this proposal will be detrimental to the licensing objective of public nuisance.

**REASONS:** There are flats directly opposite the premises. Music breakout late at night is likely to cause a noise nuisance to occupiers of these flats.

I recommend that that the proposed TEN is refused as submitted

I will give further consideration to the application with regard to current occupancy of the flats and any applicable conditions on the premises licence, and will let you know if an agreement is an option.
