**Objection to the new premises licence application,
44 Beaconsfeild Road LE3 0FE**

We the undersigned strongly object the above application for the following reasons:

- We the residents will be directly impacted by this outlet.
- Ours is a quiet and pleasant pre-dominantly residential area.
- The outlet will likely result in significant harm to the living conditions of nearby residents due to noise, increased foot traffic and motor traffic.
- At present even without the outlet we suffer from anti-social and litter problems imported from Narborough /Fosse Road outlets.
- It is unclear how this application will comply with the Councils licensing objectives.

For all the reasons set out, we urge the council to reject this application.

P.S The notices are placed too high, making them unreadable.
