This objection relates to the following licensing objective(s):

Prevention of crime and disorder	No
Public Safety	No
Prevention of public nuisance	Yes
Protection of children from	No

Representation

I wish to make an objection to the application for temporary event notice for the 13th-14th June 2015 as I consider this would be detrimental to the licensing objective of preventing public nuisance.

This application is for regulated entertainment, late night refreshment and sale of alcohol, for a sixtieth birthday with DJ for up to 250 people at the Good Old Days, Stocking Farm Social Club on Marwood Road from 12.00 until 04.00 hours.

Stocking Farm Social Club is situated on the corner of Marwood Road and Halifax Drive, there are a number of shops nearby, but the area is predominately residential with the closest being about 20m away and directly opposite the venue.

I am concerned that the music from the event will cause a nuisance to the local residents in the early hours of the morning as the background noise decreases however my main concern is the on street activity. The noise from up to 250 people coming and going, getting in and out of taxis, people outside smoking is almost impossible to control and is often the noise that is most disturbing to the local residents especially at 04.00 hours

I believe that any event in a social club in the middle of a residential area until 04.00 that involves amplified/live music will cause a nuisance to the local residents and therefore I have to **recommend refusal** of this temporary event notice.
