**Please tick one or more of the licensing objectives that your representation relates to:**

\*

- Prevention of Crime and Disorder
- Public Safety
- Prevention of Public Nuisance
- Protection of Children From Harm

**Please summarise your concerns about this application:**

\*

It is immoral to have a shop selling alcohol and cigarettes as an integral part of a Doctors surgery. It will also have the potential to contribute to anti-social behaviour in the local area especially with the YMCA youths on Belvoir Drive.

**Please give further details of WHY you believe this application will have an adverse effect on the licensing objectives:**

\*

The age range for residents at the YMCA is now 16-24 older residents will have another place to purchase alcohol the incentive will be even greater if it is cheap and stronger proof.

The moral implications as part of the surgery are surely self explanatory. Alcohol can contribute to health problems!
