LEICESTER CITY COUNCIL

Dear Sir,

I received your letter saying there is going to be a hearing regarding the Burnham News 72 Burnham drive Leic. The hearing is for 10th Nov, I can't attend because I have to work on Tuesdays and I would lose a full days pay. I suppose if residents don't turn up you will grant this licence. The Police are against this and neighbours. You should take note of the owner of this shop response letter to you, he does not agree with this shop selling alcohol.

with a dark alleyway between us which leads round the back of this shop. Youths on many occasions hang around here. So time right in the firing line from antisocial behaviour, which will increase from this shop selling alcohol and extending its opening hours till midnight. Again I repeat from first letter to you this shop is a Newspaper not a fast food or off licence. The street cleaners already have to sweep the street many times a week at rate payers expense. To extend open hours of and sell alcohol would increase on litter etc. Please take into account this is a big residential area with just a few shops between houses.

P.S. The drawing of the ground floor plan of this shop he sent you is nothing like it inside.
