Thank you for the information proved about this application. I must say, however, as it stands that I would like to object to the application as there is no indication as to how they will promote the licensing objectives particularly those relating to Public Nuisance or Prevention of Crime & Disorder. A casual glance at the application indicates a lack of detail and due attention for a premises which would seek to operate to the early hours.

The provision of such assurances may help deal with any concerns about this application.

Thanks again,
