 - Graffiti
 - Vehicles for sale on the road
 - Repairing vehicles on the road
 - Failure to produce waste transfer documents
 - Street litter control notices
 - Highways obstructions
 - Untidy land

CITY WARDENS WORKING WITH YOU TO IMPROVE THE CITY'S ENVIRONMENT

CITY WARDEN SERVICES

Knighton Ward

Knighton Ward is currently covered by two City Wardens, myself and Darren Evans, City Warden for Stonegate, who attended the last meeting.

We will respond to any complaints that are sent through to us but our proactive patrolling is very limited as we have other duties elsewhere in the City.

Since the last Ward Meeting we have received complaints about the state of the land outside the old Gables Hotel on London Road. I have been out to inspect the land and have started proceedings against the company to bring the land up to scratch.

We have also been dealing with a large scale fly tip on land off Stonegate Road. A large amount of waste has been deposited on land there and we have been investigating the deposit, as well as working with the land owner to get the land cleared.

Elsewhere we have been investigating dog fouling on both the Northdene Road area and Alexandra Road as well as dealing with problems bins on Sandown Road.

Finally any service requests should be made through Customer Services on (0116) 4541001 or Customerservices.Leicester.gov.uk as a new Customer Service system is launching tomorrow, or you can report issues by using your Smartphone by using the Love Leicester App which is available on all major platforms.
