## Section 18 of 19

### LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Our staff are currently trained in food safety management and health and safety issues. As well as our trained Designated Premises Supervisor other staff members will be suitably trained and advised of the licensing law. A record of the persons training will be kept.

Staff training will be reviewed annually and will attend meetings of pub watch schemes or other retail groups involved with the sale of alcohol (eg Citywatch scheme). The Company will prepare a training pack which will cover the law, company policy, staff responsibilities, vigilance, security, handling under age issues and the recording of refusals to serve. The Company understands the Government's key objectives surrounding legislation to prevent the irresponsible or illegal consumption of alcohol, and acknowledges the link to incidents to crime, violence and nuisance. We are fully aware that we are applying for a premise licence in the cumulative impact zone and we will liaise with Leicestershire Police- we will discuss this application with them in person and can show evidence of how we successfully operate our alcohol sales in our other stores.

We will take on board any advice and instructions offered by the police

We will try to alleviate any confrontation problems between opening times and selling times (which will be restricted)

In particular the licence holder will ensure that alcohol is kept in an area where the access to that area is restricted by means of a lockable screen. The screen will be secure during the hours which are outside the licensable hours of sale for the sale of alcohol and appropriate, prominent signs will be displayed to inform customers of the hours alcohol is available

No beers lagers ciders or perrys are sold where the ABV exceeds 5.5%

b) The prevention of crime and disorder

Members of the public are only able to access the premises through the front shop door. The other access door to the premises gains access to the stores room in the rear of the property and this leads to the service area. No unauthorised persons are allowed access through this door. There are will be shutters on the shop front - as recommended by the Leicester City Council planning department. Burglar alarm will be fitted.

CCTV will be installed and has a good coverage of all public areas. The digital CCTV will have a very good coverage of the area where the alcohol will be on sale. There will be cameras on the premises that will cover all areas of the shop plus on entry/exit points. The recordings will be in real time and will be kept for one month or longer if so directed. The recordings will be available in the shop office and at head office where a member of staff monitors the cameras and has the ability to monitor at weekends from a mobile telephone

There is to be no alcohol to be consumed on the premises or in the immediate area in front of the premises. A sign explaining this will be displayed on the shop front stating this.

#### Training

Staff will be trained in the Licensing Act 2003.

Records will be kept of such training which will be signed and dated by the member of staff who has received that training.

All staff will receive refresher training every six months as a minimum and records are to be kept of this refresher training which should be signed and dated by the member of staff who received that training.

All training records will be made immediately available for inspection by Leicestershire Police and any responsible Authority upon request.

Staff will be trained regarding appropriate precautions to prevent the sale of alcohol to persons under the ages of 18, the signs and symptoms of drunk persons and the refusal of sales due to intoxication.

Training records will be kept for a minimum period of two years.

Training records will be kept on the licensed premises to which they relate to.

Records will be kept and the training will be refreshed every 6 months. Training records will be kept and signed by the staff member who has received the training. A written test (from a set of 2 to be rotated) will be conducted and said test must be passed by the member of staff before the member is allowed to sell alcohol(80% pass mark).Staff will be given directions to

**Continued from previous page...**

deal with persons who have already consumed too much alcohol. A notice on the shop front window will be displayed to give the right to refuse the sale of alcohol to any persons.

In addition the Company recognises the benefits gained in working in partnership with Local Authorities, Police, Trading Standards and other enforcement agencies, in terms of adherence to the legislation or where necessary timely action following any breach.

Refusals book -A written log shall be kept of all refusals including refusals to sell alcohol.

The premises licence holder shall ensure that the refusals log is checked, signed and dated on a weekly basis by the store manager or DPS.

The refusals log will be kept and maintained at the premises and will be available for inspection immediately upon request by Leicestershire police and any responsible authority.

The record of each refusal will be retained for 12 months.

**Challenge 25**

There will be a Challenge 25 policy operating at the premises.

Challenge 25 means that the premises licence holder shall ensure that every individual, who appears to be under 25 years of age and is seeking to purchase or be supplied with alcohol at the premises or from the premises, shall produce identification proving that individual to be 18 years of age or older.

Acceptable identification for the purposes of age verification will include a driving licence, passport or photographic identification bearing the "PASS" logo and the person's date of birth.

If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

'Challenge 25' posters shall be displayed in prominent positions at the premises.

**c) Public safety**

In order to meet its obligations to reduce the risk to the Health & Safety of its employees, members of the public and contractors and visitors to Company premises, the Company is committed to achieving high standards of Health & Safety. A risk assessment will be carried out and will be reviewed again when alcohol sales begin. The Company is aware of its responsibility towards our staff and clients in relation to slipping on wet floors, spillages, security and fire. We have measures in place to address these risks. The Company's public and employers liability insurance are £2,000,000 and £10,000,000 respectively.

**d) The prevention of public nuisance**

The Company would like to establish good relationships with neighbouring premises and will do all within its power to prevent public nuisance. The Company takes all its responsibilities seriously and are aware of its responsibilities when selling alcohol. The Company will not serve people who are underage or under the influence of alcohol. These refused sales are monitored in the Company's refusal to serve procedures. There is no consumption of alcohol either in the premises nor immediately outside the premises. From our observations the consumption of alcohol will take place in customers private dwellings. However, we are aware an area of public nuisance can be the accumulation of individuals outside our store. We will do everything that we can do to discourage this. All deliveries are made to the shop and we do not anticipate any public nuisance due to deliveries. We will do everything in our power to ensure we respect the cumulative impact zone and our clients do not cause a public nuisance

**e) The protection of children from harm**

The sale of alcohol to under age persons is high priority. We will have a policy for the detection of and prevention of underage sales. Our staff will be trained internally and reminded regularly on their responsibilities. Staff will be required to ask for proof of age where they believe the customer is under age. If proof is not provided or in the event of any doubt, service will be refused.

Refusals book

A written log shall be kept of all refusals including refusals to sell alcohol.

The premises licence holder shall ensure that the refusals log is checked, signed and dated on a weekly basis by the store manager or DPS.

**Continued from previous page...**

The refusals log will be kept and maintained at the premises and will be available for inspection immediately upon request by Leicester and Rutland Constabulary and any responsible authority.

The record of each refusal will be retained for 12 months.

**Challenge 25**

There will be a Challenge 25 policy operating at the premises.

Challenge 25 means that the premises licence holder shall ensure that every individual, who appears to be under 25 years of age and is seeking to purchase or be supplied with alcohol at the premises or from the premises, shall produce identification proving that individual to be 18 years of age or older.

Acceptable identification for the purposes of age verification will include a driving licence, passport or photographic identification bearing the "PASS" logo and the person's date of birth.

If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

'Challenge 25' posters shall be displayed in prominent positions at the premises.
