- 1.1. This report provides information for Members about an application made under the Licensing Act 2003, to assist them in determining the outcome of that application.

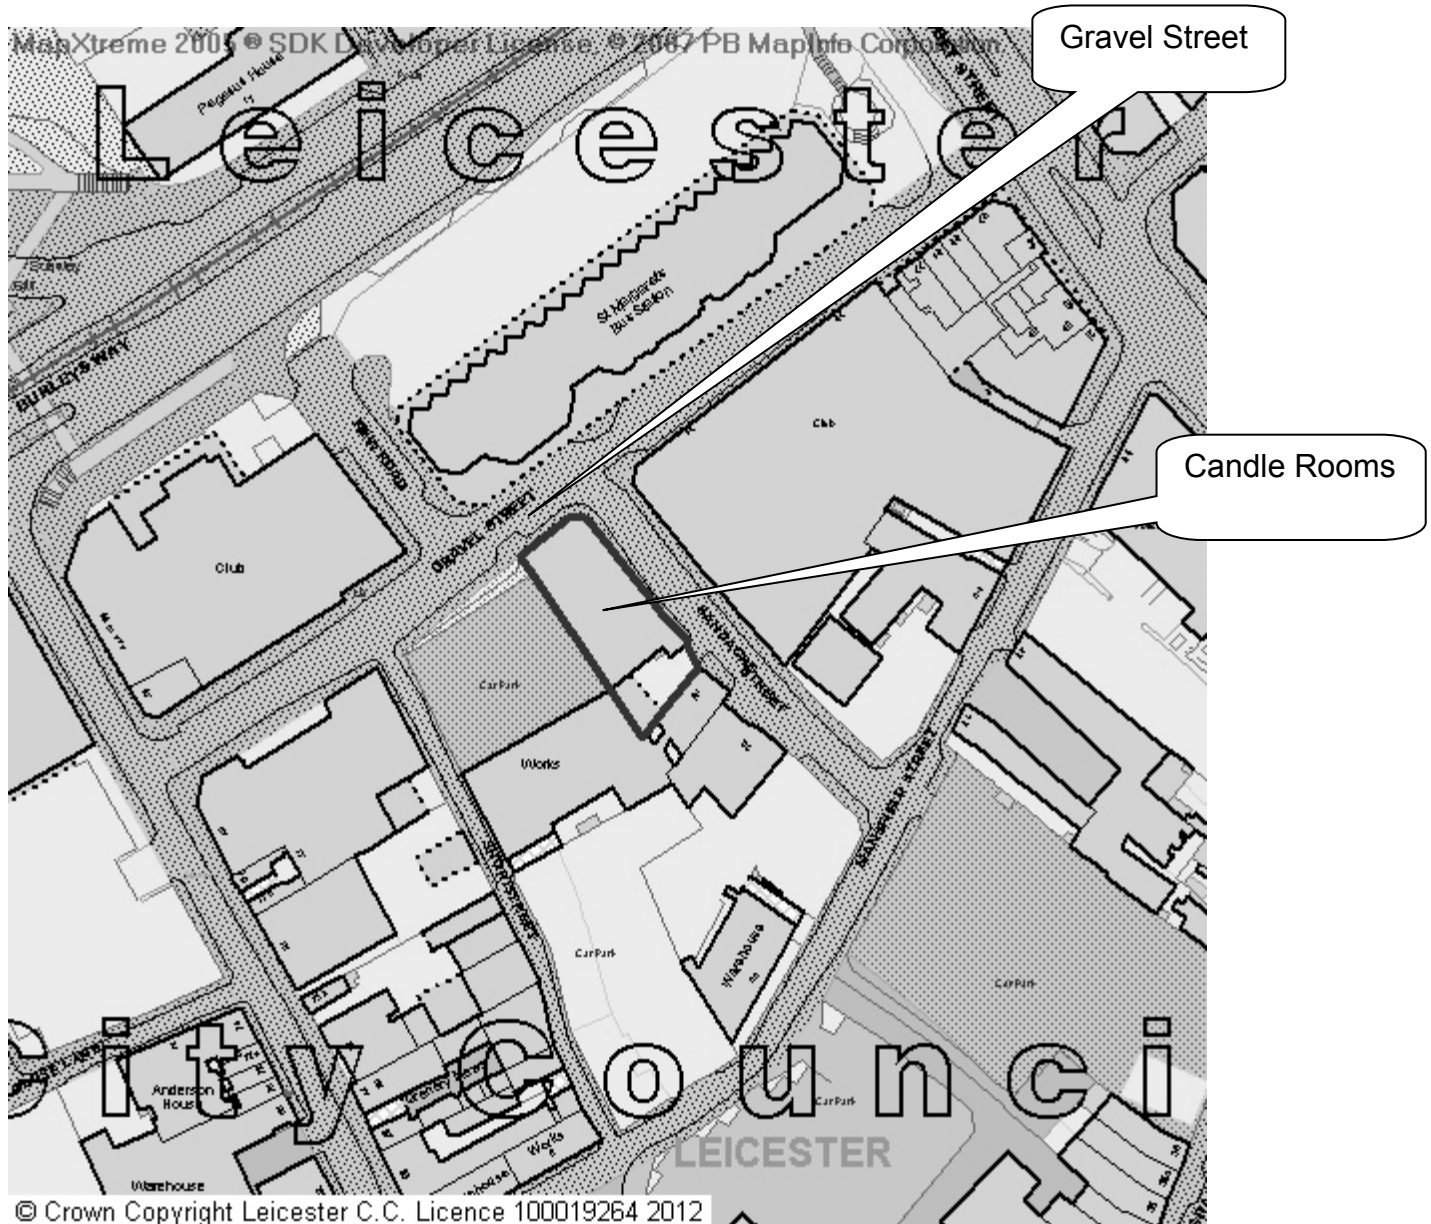

2. Determination to be made

- 2.1. Having considered the application and representation, Members must consider whether to
- Grant the licence without modification
 - Grant the licence subject to conditions

5. Application

5.1 An application was received on 17 March 2016 from Mr Ashik Madlani for a new premises licence for Candle Rooms within the Churchgate area Cumulative Impact Zone. A copy of the application is attached at Appendix A.

5.2 The application is as follows:

6. Steps to Promote the Licensing Objectives

- 6.1 The steps the applicant proposes to take to demonstrate that the premises will not add to the existing cumulative impact and promote the licensing objectives are set out in the operating schedule (see section M of Appendix A).
- 6.2 In arriving at its decision on the application, the Licensing Authority's primary consideration must be the promotion of the licensing objectives.

7. Regulated Entertainment

- 7.1 The Live Music Act 2012 and the Legislative Reform (Entertainment Licensing) Order 2014 amended the Licensing Act 2003 in relation to the provision of regulated entertainment. Certain entertainment does not require a licence subject to audience limits, between 08.00 and 23.00 hours each day.
- 7.2 The above exemptions may affect the application under consideration because conditions may not be imposed at this stage to control live or recorded music that is unregulated. However, if problems do occur as a result of that entertainment then conditions may be imposed to control such music in the future after a formal review.

8. Representation

- 8.1 A relevant representation was received on 8 April 2016 from Leicestershire Police. The representation relates to the prevention of crime and disorder, the prevention of public nuisance and public safety. Leicestershire Police is concerned that the applicant has made no reference in their application of the Cumulative Impact Zone and has assumed that the licensing policy has not been fully consulted prior to submission. It is the Leicestershire Police view that granting the application will add to the existing late night problems in the City centre by increasing the capacity of licensed premises within the cumulative impact zone and failing to promote the Licensing Objectives. A copy of the representation is attached at Appendix B.

9. Cumulative Impact

- 9.1 In February 2005 Leicester City Council introduced a special policy on cumulative impact in the Churchgate area which refers specifically to on and off licences. This creates a rebuttable presumption that an application for a new premises licence will be refused, unless the applicants can show that their premises are unlikely to add to the problems of saturation.

10. Statutory Guidance

- 10.1 Any decision made by the Licensing Authority must be in accordance with the licensing objectives. In addition, the government has issued guidance under section 182 of the Licensing Act 2003. The parts of the guidance that are particularly relevant in this case are as follows:

Section	Heading

12 Points for Clarification

- 12.1 The applicant and the party making the representation have been asked to clarify certain points at the hearing, as follows:

By the applicant

1. Whether the applicant considers that the concerns outlined in the representations are valid, and if not why not?
2. In the light of the representations made, does the applicant wish to propose any additional steps for the promotion of the licensing objectives?
