St Andrews Sports Club, Canal Street, Leicester, LE2 8LX

Report of the Director of Neighbourhood and Environmental Services

1. Purpose of Report

- 1.1. This report provides information for Members about an application made under the Licensing Act 2003, to assist them in determining the outcome of that application.

2. Determination to be made

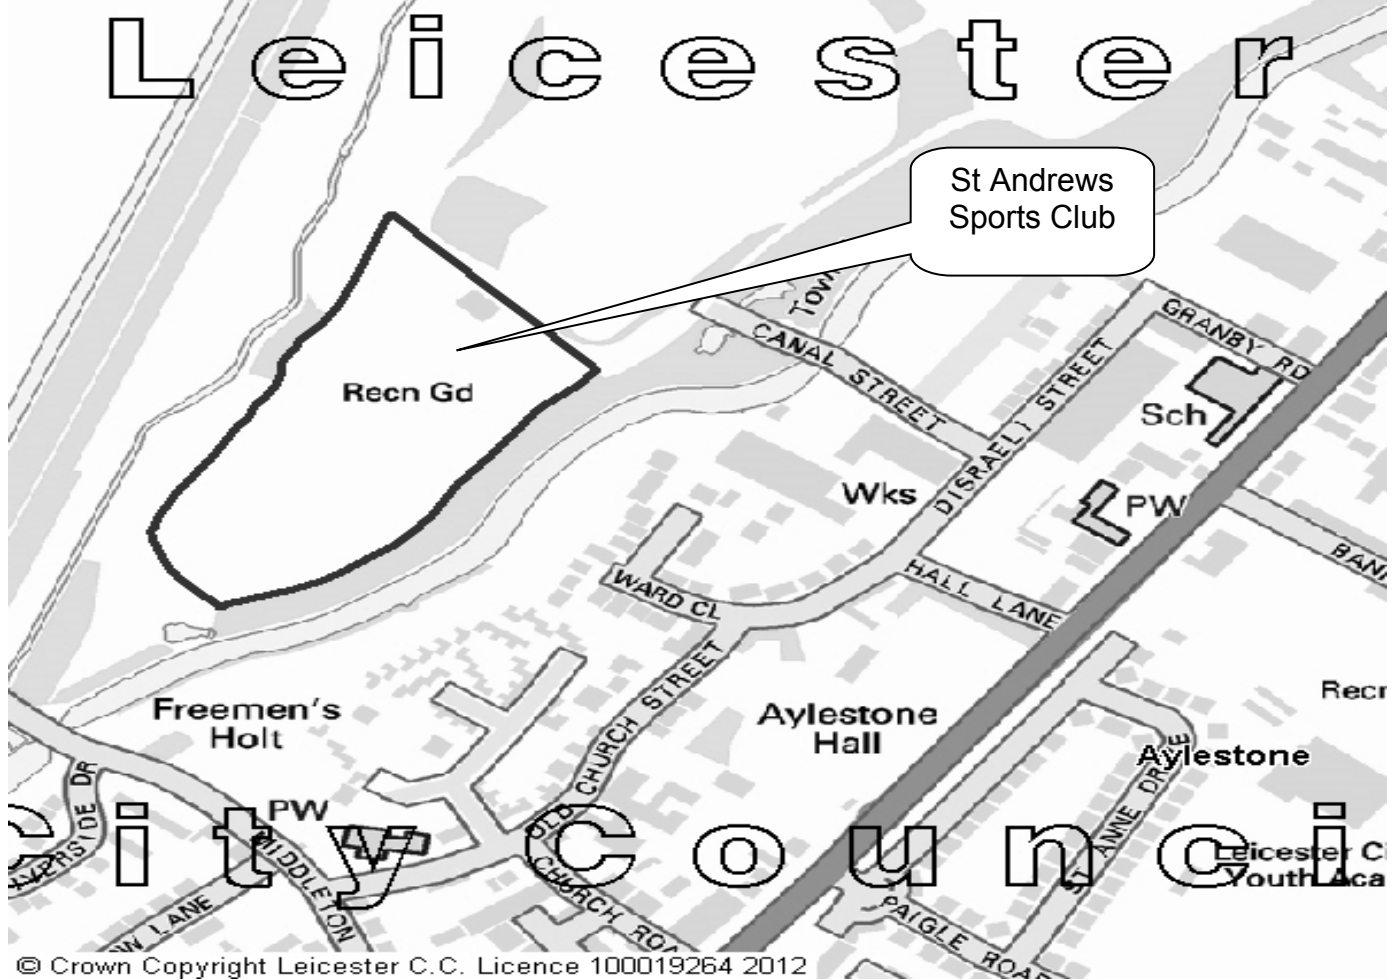

- 2.1. Having considered the application and representations, Members must consider whether to
- Grant the licence without modification
 - Grant the licence subject to conditions
 - Exclude from the licence any of the licensable activities
 - Refuse to accept the proposed premises supervisor
 - Reject the application

3. Summary

- 3.1 This report outlines an application for a new premises licence for St Andrews Sports Club and summarises the representations received. It also highlights the licensing objectives, the relevant parts of the guidance and regulations, and the pertinent sections of the Licensing Authority's Licensing Policy.

5. Application

5.1 An application was received on 31st March 2016 from Mr Brett Wells for a new premises licence for St Andrews Sports Club for a one day event on 4th June 2016. A copy of the application is attached at Appendix A.

5.2 The application is as follows:

Licensable activity	Proposed Hours
Live Music, Anything similar to live/recorded music or dance, Opening hours	Saturday 13.00 – 23.00

6. Steps to Promote the Licensing Objectives

6.1 The steps the applicant proposes to take to promote the licensing objectives are set out in the operating schedule (see section 18 of Appendix A).

6.2 In arriving at its decision on the application, the Licensing Authority's primary consideration must be the promotion of the licensing objectives.

7. Regulated entertainment

7.1 The Live Music Act 2012 and the Legislative Reform (Entertainment Licensing) Order 2014 amended the Licensing Act 2003 in relation to the provision of regulated entertainment. Certain entertainment does not require a licence subject to audience limits, between 08.00 and 23.00 hours each day.

7.2 The above exemptions may affect the application under consideration because conditions may not be imposed at this stage to control live or recorded music that is unregulated. However, if problems do occur as a result of that entertainment then conditions may be imposed to control such music in the future after a formal review. Entertainment at this event may be regulated and/or unregulated depending on the number of people present.

8. Representation

8.1 Six representations have been received from a Noise Pollution Officer, a Ward Councillor and four residents. The representations relate to the prevention of public nuisance. They are all concerned that the loud music from this event will cause a nuisance to nearby residents and premises users. There is also concern about the overall impact of the event on the area, although not all of these relate to matters that can be controlled by licensing. Copies of the representations are attached at Appendix B1-B6.

9. Conditions

9.1 The conditions that are consistent with the operating schedule are attached at Appendix C.
