- Removal of the following condition from Annex 3 – No sale of alcohol for consumption off the premises
- Amend existing condition in Annex 3 to - All staff who will be serving alcohol will be trained to ensure that no person who is intoxicated will be served alcohol, such training to be dated, documented and made available to Leicestershire Police any responsible authority on request.

7. Steps to Promote the Licensing Objectives

- 7.1 The steps the applicant proposes to take to demonstrate that the premises will not add to the existing cumulative impact and promote the licensing objectives are set out in the operating schedule (see section M of Appendix B).
- 7.2 In arriving at its decision on the application, the Licensing Authority's primary consideration must be the promotion of the licensing objectives.

8. Regulated Entertainment

- 8.1 The Live Music Act 2012 and the Legislative Reform (Entertainment Licensing) Order 2014 amended the Licensing Act 2003 in relation to the provision of regulated entertainment. Certain entertainment does not require a licence subject to audience limits, between 08.00 and 23.00 hours each day.
- 8.2 The above exemptions do not affect the application under consideration because the additional hours requested are after 23.00 and before 08.00 hours.

9. Representation

- 9.1 Two representations have been received, one from Leicestershire Police and one from a Ward Councillor. The representations relate to the prevention of crime and disorder, the prevention of public nuisance and public safety. Leicestershire Police and the Ward Councillor are concerned that the increased hours and removal of an existing condition may increase further incidents in the area. Copies of the representations are attached at Appendix C1-2.

10. Conditions

- 10.1 The conditions that are consistent with the operating schedule are attached at Appendix D.

11 Cumulative Impact

- 11.1 In February 2005 Leicester City Council introduced a special policy on cumulative impact in the Belvoir Street area, which refers specifically to on and off licences. This creates a rebuttable presumption that an application for a new premises licence will be refused, unless the applicants can show that their premises are unlikely to add to the problems of saturation.

12. Statutory Guidance

- 12.1 Any decision made by the Licensing Authority must be in accordance with the licensing objectives. In addition, the government has issued guidance under section 182 of the Licensing Act 2003. The parts of the guidance that are particularly relevant in this case are as follows:
