Cc: [REDACTED]
Subject: Licence application for 95 Queens Rd, Clarendon Park

I would like to object to the closing hour for activities for this licence application/planning application of Midnight as Queens Road has a principle cut off time of 11pm (23:00 Hours). This has been tested with the Kebab shop on Queens Road appealing against this principle as it is a threat to local amenity and a public nuisance.

It will be a public nuisance because the later hour will cause noise disturbing the people living in the vicinity of the premises.

Thanks,

[REDACTED]
