I wish to object to this application on the grounds of prevention of crime and disorder as the area close to where this licensed premises is due to open has experienced high levels of alcohol fuelled anti-social behaviour in particular Museum Square.

I would ask for the licensing meeting that hears this to be scheduled at a time other than 9am as the scheduling of these meetings effectively disenfranchises me from representing my constituents as I cannot repeatedly take whole days off work to attend such hearings.

I would welcome your observations on this matter.

Thanks,

I wish to object to this licensing application on the grounds of prevention of anti social behaviour due to this location being near to where anti social behaviour, often related to alcohol, is taking place, for example in the open in Museum Square.

Lynn
