**Application for a new premises licence within a Cumulative Impact Zone
Off Licence, 6-8 Hinckley Road, Leicester, LE3 0RA**

Report of the Director of Neighbourhood and Environmental Services

1. Purpose of Report

- 1.1. This report provides information for Members about an application made under the Licensing Act 2003, to assist them in determining the outcome of that application.

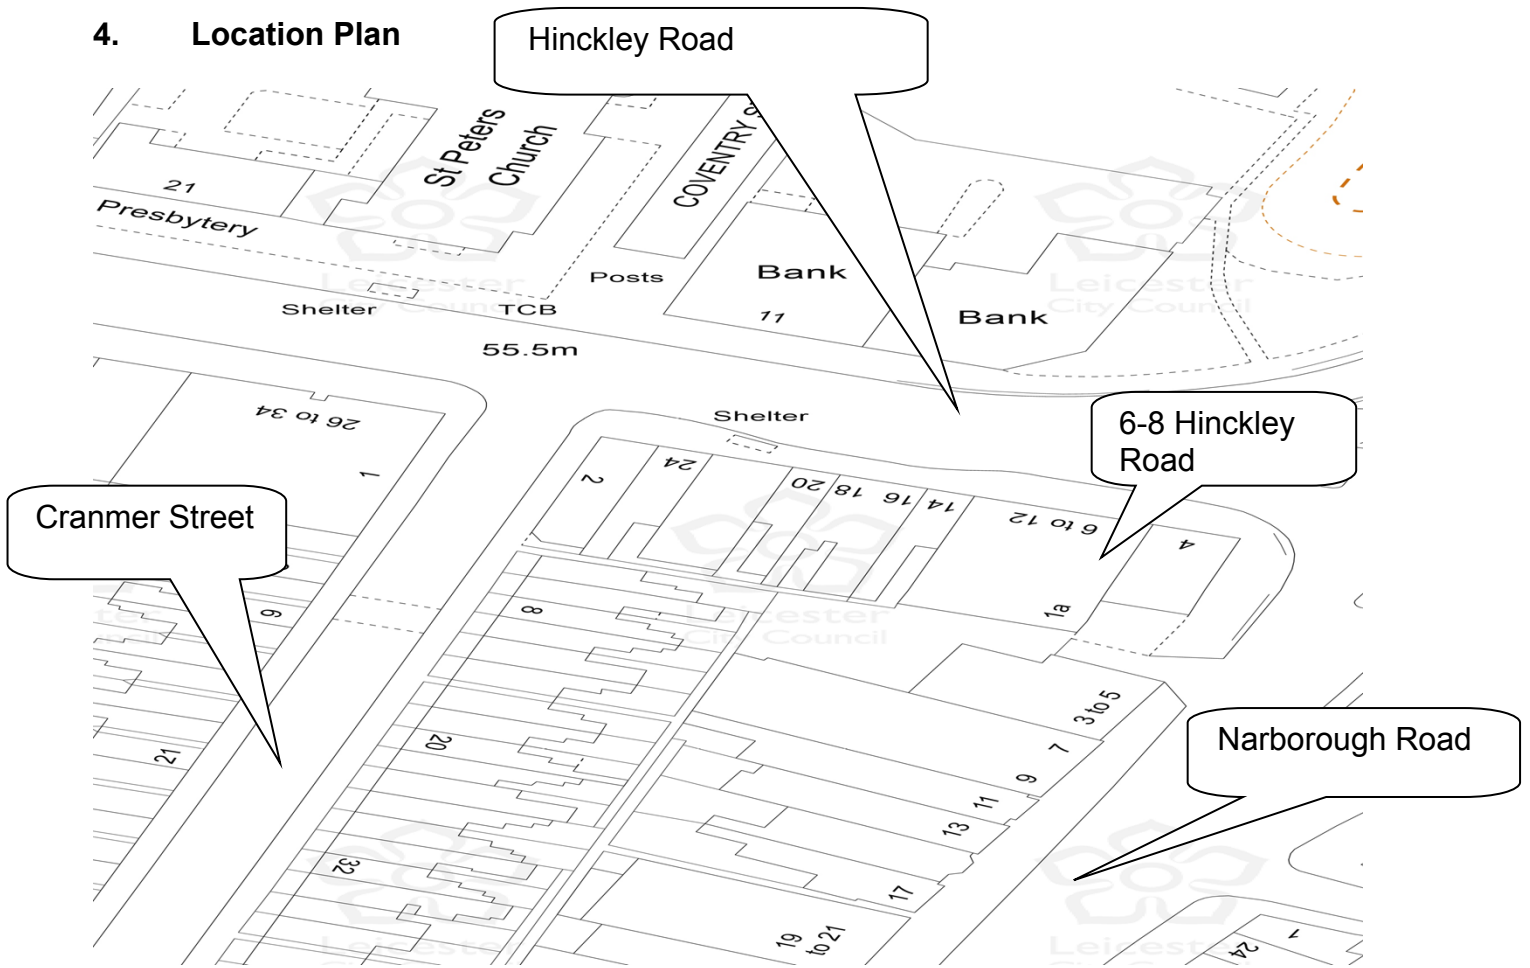

2. Determination to be made

- 2.1. Having considered the application and representation, Members must consider whether to
- Grant the licence without modification
 - Grant the licence subject to conditions
 - Exclude from the licence any of the licensable activities
 - Refuse to accept the proposed premises supervisor
 - Reject the application

3. Summary

- 3.1 This report outlines an application for a new premises licence for 6-8 Hinckley Road within the Braunstone Gate area Cumulative Impact Zone and summarises the representations received. It also highlights the licensing objectives, the relevant parts of the guidance and regulations, and the pertinent sections of the Licensing Authority's Licensing Policy.

4. Location Plan

5. Application

- 5.1 An application was received on 13th January 2017 from Miss Oana Corbu for a new premises licence for 6-8 Hinckley Road within the Braunstone Gate area Cumulative Impact Zone. A copy of the application is attached at Appendix A.
- 5.2 The application is as follows:

Licensable activity	Current Hours	Proposed Hours
Supply of Alcohol	08:00	23:00
Opening hours	08:00	23:00

6. Steps to Promote the Licensing Objectives

- 6.1 The steps the applicant proposes to take to demonstrate that the premises will not add to the existing cumulative impact and promote the licensing objectives are set out in the operating schedule (see section 18 of Appendix A).
- 6.2 In arriving at its decision on the application, the Licensing Authority's primary consideration must be the promotion of the licensing objectives.

7. Representation

- 7.1 A relevant representation was received on 31st January 2017 from Leicestershire Police. The representation relates to the prevention of crime and disorder, the prevention of public nuisance and public safety. Leicestershire Police are concerned that the applicant has not taken into account the cumulative impact zone and the local issues in the area such as people pre and side loading with alcohol and street drinking. A copy of the representation is attached at Appendix B.

8. Conditions

- 8.1 The conditions that are consistent with the operating schedule are attached at Appendix C.

9. Cumulative Impact

- 9.1 In February 2011 Leicester City Council introduced a special policy on cumulative impact in the Braunstone Gate area, which refers specifically to on and off licences. This creates a rebuttable presumption that an application for a new premises licence will be refused, unless the applicants can show that their premises are unlikely to add to the problems of saturation.

10. Statutory Guidance

- 10.1 Any decision made by the Licensing Authority must be in accordance with the licensing objectives. In addition, the government has issued guidance under section 182 of the Licensing Act 2003. The parts of the guidance that are particularly relevant in this case are as follows:
