CITY WARDENS WORKING WITH YOU TO IMPROVE THE CITY'S ENVIRONMENT

LOVE WHERE YOU LIVE

Love where you live

As a Leicester City resident there are plenty of things you can do to help keep your neighbourhood clean and tidy:

- **Bring your bin in after collection day**
- **Book a Bulky Waste Collection if you need to get rid of large items**
- **Use a bin - don't drop litter**
- **Clear up after your dog**
- **Look after your home and garden**
- **Report problems like littering, fly tipping and graffiti**
- **Join in with local community clean-up events**

For more information contact the City Wardens on

WYCLIFFE UPDATE

RUBBISH ON PRIVATE LAND

Abandon cars and large amount of rubbish cleared from land at the rear of shops on Wharf Street North by the land owner. The owner of the land was issued with a Community Protection Notice to clear the land and keep it clear in the future to which he has complied. I will continue to monitor the area and take further action if required.

BINS ON STREET

A business in St Matthews has been issued with a legal notice for leaving their bin out. They have since been issued with a Fixed Penalty Notice for breaching the notice.

A project that was being done on Evington Street in relation to domestic bins being left out is now coming to an end. We have had some good results in the area and the streets are looking a lot better. Regular monitoring will continue in the area.

SKIPS & SCAFFOLDING

A scaffolding company is in court next week for erecting scaffolding without the correct licences in place. We will have more information about the outcome at the next ward meeting.

LITTER

Littering patrols continue in Wycliffe in hotspot areas. The City Wardens will issue Fixed Penalty Notices if they witness any littering offences.

DUTY OF CARE INNSPECTIONS

We have been carrying out visits to businesses in Wycliffe to check they are disposing of their waste legally. Those companies who are not doing this could face further action.

If you have any issues that you would like to report then please speak to the City Wardens or contact the service on 0116 4541001

With our new app you'll be able to let us know about any environmental problems and also access a wealth of council information from your smartphone or tablet.

How does it work?

1. Download it - Our free app is available for Android, Windows, Blackberry and iPhones. Simply visit your app store and search for Love Leicester.

2. Spot it - Whether it's graffiti, litter, fly-tipping, dog fouling or another environmental problem, you can let us know about it.

3. Report it - Take a picture of the problem and upload it using the app. You can tag the location and include other details so we can fix the issue quickly.

4. Fix it - When you submit your report the details and picture will be sent to the right team who can fix the problem. They'll also be able to post a picture of what they've done.

As well as reporting problems, you can tell us what you like about Leicester. You can also find event listings, details of your nearest leisure centre, current consultations and easily get to our mobile friendly website for information on all council services.

The app is part of the Love Clean Streets network which is used by many councils. This means you can use it anywhere to report problems in other cities as well as Leicester, and the app will route your report to the right council.

It replaces the old One Clean Leicester app so if you already have this on your phone you'll need to uninstall it and download our new Love Leicester app.
