Dear Sirs,

I have regularly used Kaps News shop
over the past 9 years + I have never seen
offered stolen goods.

Kaps + his family offer the only
Community shop in this district area of
Leicester. To withdraw his license would
force him out of business and close our
only shop where we buy essentials like
bread, milk etc.

I feel that the move to withdraw his

License is far too excessive.

In fact, Kaps has been the victim of crime in the area, having undergone attacks and thefts from his shop over the years.

Kaps & his family offer a proper Community Shop in a run down area. Many elderly people & those with gang members all stop there.

I personally have never seen or heard any stolen goods what so ever.

This sounds like a classic case of misinformation.
