Appendix C9

Dear Sir/ Madam

Mr Kapil Vaghelia trading as KAPZ NEWS & BOOZE

I refer further to NOTICE OF APPLICATION FOR A REVIEW OF AN EXISTING PREMISES LICENCE.
Displayed on the Premises.

I have been a customer of this business for many years, and have always believed the proprietor to be an honest and trustworthy person of high integrity. I do not believe (within my personal dealings with the above named, that the premises might be used for Criminal Activities, given that the family as a whole has a good standing within local community. In support of this letter, I am not inclined to encourage a revocation of the licence, with a view to reducing crime. Bearing in mind that I have known Mr Vaghelia for many years, I support him to clear his name in what I believe to be an external malicious act to tarnish his and his family's high reputation with local and the wider community. If you have any further queries I am most happy to represent Mr Vaghelia in support of clearing his name.
