**Subject:** OBJECTION TO GRANTING OF ALCOHOL LICENCE

I would like to raise my concerns regarding the application for a licence to sell alcohol at 116 BRUIN STREET. This application was put forward by Darmesh Valobo.

- We already have several licensed premises within a very short distance of this address.
- It is directly joined to residential properties.
- As this is a working household we have to go to bed at a reasonably early time and it is far from unusual to be woken by drunken behaviour in the early hours of the morning.
- We are already experiencing drink related issues in the area --- noise, mess etc. I feel this will be exaggerated with more access to cheap alcohol.
- As there is a lot of competition on the sale of alcohol in the area I feel that they are going to have to sell the alcohol as cheaply as possible and therefore encouraging the local alcoholics to frequent the area.

I would appreciate your serious consideration on this matter.
