Representation

I wish to make representation in connection with this application for a temporary event notice (TEN) as I consider this proposal will be detrimental to the licensing objective of public nuisance.

This is due to the two previous TENs for this venue resulting in Statutory Nuisances being witnessed from the premises and that this leads the Noise Team to have serious doubts as to the management control of the premises. Therefore to prevent further disturbance of residence in the vicinity, I recommend that the TEN is refused.
