

Appendix B1

To: Cllr Teresa Aldred

Subject: application for license 215 Scraftoft Lane Leicester LE5 2HS

Dear Mrs Aldred

I have attached a letter of complaint about this shop next door to property and the extended opening hours

I am also sending this e-mail to the licensing department as you know this area Sextant Rd ,Compass Road . Radiant Rd

know some years ago as the Globe Area is also populated by elderly residents and bungalows we do have many off licenses

within this area but to be open till 23.00am six nights a week does pose a problem waiting to happen with anti social behaviour

and been highly populated by elderly people I have to raise concerns there is also an exclusion order placed on the property

concerning chiller cabinets which was highlighted by the planning department they were put in situ without planning permission

and have never been dealt with except the shop has to close and the chiller cabinets turn off by 21.00pm so how can this shop operate

opening till 23.00pm unless they want to defy the exclusion order placed on the premises

kind Regards

Dear Sir / Madam

Convenience Stores 215 Scraftoft Lane .Leicester . LE5 2HS

I am writing to register my objection to the application for a premises licence by Mr Prashanth Kanagalingham Convenience Stores 215 Scraftoft Lane .Leicester . LE5 2HS ,The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

Scraftoft Lane lies within the Council's Cumulative Impact Area, and enabling the premises to sell alcohol would be totally detrimental to its aims and objectives. The application proposes that alcohol will be sold for consumption off the premises between 7.00am and 23.00pm, six days a week, and 7.00am and 21.00pm on a Sunday Granting a licence would provide a further source of alcohol within an area already so heavily populated with licensed premises that crime, disorder and public nuisance have already reached problem levels for the local police.

There is already an enforcement notice registered with Leicester City Council for the Convenience Shop the said premises have to close or shut down shutters by 21.00pm as the premises have unauthorised chiller cabinets erected without planning permission 20124198C Enforce No: 20126055E Site Ref(PPRN): VLD7253 Address: 215 Scraftoft Lane .Leicester. LE5 2HS

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. They have endured this ongoing inconvenience when the licensing legislation was first amended, and it is totally unacceptable to expect them to continue to do so.

I would also urge you to consider the findings of the Health Impact Assessment, in which evidence of the negative effects of the flexible licensing hours was put forward by local residents,

In view of the above, I would urge the Licensing Authority to refuse the application.

Yours faithfully,
