Dear Sir or Madam,

I have been a regular at the Fountain Pub and have made lots of friends there including the landlady Mrs Anne Brennan and her staff, who make everyone very welcome.

I need to write to you about the problem with people trying to sell things outside the pub. Ann and staff have been doing their best to move these people away when spotted, resulting with the side door now being permanently shut to everyone.

Mrs Brennan is a very caring person and looks after her customers especially on birthday, weddings and also funerals, and even takes time out to attend funerals of long term locals.

yours Faithfully
