Our Ref : ADH/FOUNTAIN

To Whom it May Concern.

I write with concerns about issues raised concerning the Fountain Public House Humberstone Gate Leicester.

I the undersigned have been a regular user of the above establishment for over 40 years and find that it to be one of the view places of this nature, to relax, Hold informal meets and feel safe.

I personally have never been pestered into buying unwanted goods unlike many of the Public House's in the City centre there has never been in my presence any drama and the current Landlady is always most pleasant and helpfully people often leave items for me to collect and I am always informed by the staff who all are most helpful the there is something to collect I would like to be informed of any Hearing and willing to speak on this establishments behalf. Should you have any further quires or indeed require any further information please do not hesitate to contact me my personal mobile is [REDACTED]

Yours Sincerely/
