

19.9.17.

Dear Sir/Madam,

I strongly object to an alcohol licence being granted to D. Valobo for 116 Bruin Street. We have alcohol problems in the area already and I feel that a shop in such close proximity to the other shops that sell alcohol would be forced to sell it at a price that undercuts other alcohol retailers. This would mean that Bruin Street corner will become a magnet for anyone wishing to purchase cheap alcohol which in turn exaggerate the problems we already have.

Thanking you
