

I am writing in connection with an application for a new premises licence made by Marta DOMINIAK for a premises licence at 747 Aylestone Road, Leicester, LE2 8TG.

Officers have raised a number of concerns regarding this application.

I am authorised by Rugby Borough Council to represent the council regarding licensing issues.

I am writing to object to the grant of the premises licence to the aforementioned person as I believe the grant of the licence will undermine the licensing objectives of **a) the Prevention of Crime and Disorder** and **b) the Prevention of public nuisance**, on the following grounds.

Marta DOMINIAK was a business owner/operator of Marta's Shop Ltd, 60 Leicester Road, Wigston, LE18 1DR, within the Borough of Oadby & Wigston. The business has been listed with Companies House as being dissolved on 15 August 2017. Rugby Borough Council work in partnership with Harborough District Council and are the investigating authority for them with regards to fly tipped waste.

Marta DOMINIAK is the subject of a current investigation of fly tipping on behalf of Harborough District Council.

The Council has sufficient evidence to demonstrate a deliberate and purposeful avoidance of meeting her previous legal responsibilities.

The weight of evidence clearly shows that the applicant should not be trusted to uphold the licensing objectives. While a DBS report may not show current relevant offences, Rugby Borough Council asserts that the evidence we have gives reasonable cause for the application to be determined by a Licensing Sub-Committee and not for the application to automatically be granted.

Marta DOMINIAK has demonstrated that she cannot automatically be considered a suitable person to hold a position of honesty, trust and integrity; the most basic requirements of a premises licence holder or DPS.

While the Data Protection Act 1998 prevents me from including evidence in this public representation, appropriate evidence will be available to a Licensing Sub-Committee at a hearing.

Yours faithfully
