M Describe the steps you intend to take to promote the four licensing objectives:

a) **General – all four licensing objectives (b, c, d and e)** (please read guidance note 10)

1. General Notes:

2. 1. We are a venue that caters for private family events, corporate events, weddings/receptions, birthday parties, pre-wedding parties.
3. 2. We are aware of being in Cumulative Impact Zone (CIZ) therefore are aware of the responsibilities attached that go in hand being in this location. For which we will only make alcohol available only for the sale and consumption on premises and for people attending a pre-booked and bona fide private function or event only and not for the members of the general public. Plastic drinking vessels will be available if management feel it is required for safety along with a glass collection policy for all staff so clears up a lot of glasses or excess alcohol on the tables.
4. 3. We would like to work with the council and police and adhere to the conditions surrounding the Cumulative Impact Zone (CIZ) in respect of public safety, prevention of crime and disorder and public nuisance and are willing to join a local crime reduction schemes as requested and approved by the police/council.
5. 4. We have requested as per application No: 098188-Candlerooms 25 Gravel Street, Leicester, a premises licence to start at 11am –12am 7-days a week.
6. 5. We would like to say we are willing to work with the police/licensing authorities on conditions that they would be happy with:
 - a. (a) when there is a public safety issue of large crowds in a saturated area such as student freshers week/Halloween, where we would consult with the police if there would be any conflicting issues having a private event/function and adhere to their advice/recommendation.

b) The prevention of crime and disorder

The preventions listed below in section c) Public Safety should alleviate most of these problems but other measures that will be taken include using SIA approved security staff (using 2 SIA staff for every 100 guests present). We can also provide a contact number and a register of the client booking the event at all available times for inspection for the police/authorised officer of the council in the event of any incidents arising. The premises will be alarmed when not in use and certain areas will be locked where necessary when events are being held. All areas will be sufficient with clear signage throughout the premises.

c) Public safety

(i) Provide a car park for entrance and exit from Mansfield Street directly going into the venue from the rear side (when bookings will be taken we can tell the client to request their guests to leave or enter via this rear car park) to avoid any over spill onto Gravel/Sandacre Street.

- i. (ii) All health & safety will be adhered to by all members of management/ staff including fire safety, which is already installed at the premises (fire alarm, fire extinguishers/blankets with appropriate fire exit signage). First Aid kits available on premises and regular risk assessments in place. There will be a no smoking policy throughout the premises and an allocated smoking area outside the premises.
- ii. (iii) All children must be accompanied by an adult for supervision and safety.
- iii. (iv) Challenge 21 will be adhered to for proof of age for alcohol purchase and/or consumption and entry to the event if required to restrict access to children. Thus making the premises a Zero Tolerance policy for all events.
- iv. (v) All staff will be trained about licensing law and serving alcohol requirements to adhere to a duty of care policy and all documented for inspection when required.
- v. (vi) All events will be managed by notifying the clients about the maximum capacity to make sure no events exceed capacity of the premises.

d) The prevention of public nuisance

The above 2 points, (b) and (c), should again tackle this issue also we have in place a 16-camera CCTV system installed (for indoor and outdoor areas) including a 31 day recording already to capture any incidents and which is available to view live on management mobile devices/screen on premises and a recording for the police/licensing authority to inspect whenever required. There is sufficient outdoor lighting for crime deterrence. All staff will be fully trained to respond to any incidents like violence towards anyone will not be tolerated, excessive use of alcohol, possession of drugs or weapons which will be confiscated, this will reduce crime and disorder too, based on our security policies. Management will be available at all events in order to monitor the activities happening on the premises as additional safety prevention. Drink-aware posters will be displayed throughout the premises to remind customers/guests for safe alcohol consumption.

e) The protection of children from harm

Please see above sections which presents our preventions that could affect children from any harm and emphasises that all procedures will be on safety and compliance measures.
