

Household Waste Recycling Centres

If you have access to a vehicle please use our Household Waste Recycling Centres to recycle and dispose of your household waste, located at:

Freemen's Common*, on Islington Street, LE2 7SQ **Gypsum Close, off Lewisher Road,** Leicester LE4 9AB

Both sites are open from 8am to 8pm (April to October)
8am to 6pm (November to March)

Centres are shut on December 25th/26th and January 1st and close early on December 24th/31st

If you have a van/trailer over 1.4m long you are only allowed to visit the Gypsum Close Centre and you must obtain a **permit** first which you can request on-line at leicester.gov.uk/recycling or by calling **0116 454 6750**.

Items you can recycle include:

* No vans or trailers over 1.4m long will be allowed into the centre at Freemen's Common, unless disposing of asbestos with a permit. They must use Gypsum Close only.
** Only cement bonded asbestos which has been double wrapped in plastic will be accepted at Freemen's Common Household Waste Recycling Centre. Disposal of asbestos must be booked in advance on 0116 454 6750.
*** Household and garden chemicals will only be accepted at Freemen's Common.

The new centre at Gypsum Close offers residents improved recycling and waste facilities as well as trade waste facilities. There is also a reuse shop run by our charitable partner LOROS where you can donate & buy items.

Trade Waste can only be accepted at Gypsum Close for a charge. Please visit leicester.gov.uk/tradewaste

For further information on how to recycle in Leicester call **0116 454 1002** or visit leicester.gov.uk/recycling

CITY WARDEN SERVICE UPDATE

Since the last meeting 3 months ago the table below shows some of the issues I have been dealing with .

Customer Complaints	FLY TIPS	CPW	PRIVATE LAND	OTHER REQUEST
30	8	12	20	8

RUBBISH ON PRIVATE LAND

Rubbish on Private Land continues to be an issue in Thurmcourt. The process to remove waste when private land does take a much longer period of time. CPNs are very effective. Please use the Services that Leicester City Council provide.

DOG FOULING

Reports of dog fouling have declined recently. Stencils have been sprayed around Thurmcourt area and more streets are to be completed PLEASE USE THE LOVE LEICESTER APP to report for removal.

DEPOSITS ON THE HIGHWAY

Please be aware if you are having any work done to your properties all building materials being delivered and left on the highway need a licence from Leicester City Council. All skips must have a licence as well even for 48 hours .

FLYTIPPING

Fly tipping continues to be an issue.

If you have any issues that you would like to report then please speak to the City Wardens

Advice for residents

Householders are legally responsible for all household waste produced on their property. Most household waste can be disposed of in your wheeled bins or bags.

If you need to dispose of large items such as sofas, fridges or building materials, there are several ways to do this legally:

- Take large items to your council-run tip. Find out opening times and days online.
- Consider hiring a skip. They can be valuable for money and you don't need a permit if they are stored on your property.
- Your council can dispose of your large waste items as part of the bulky waste collection service.
- You can subscribe to a garden waste collection for an annual fee.

Advice for businesses

Under the Environmental Protection Act, every business has a duty of care when it comes to disposing of its waste. If you are not meeting your legal responsibilities it could result in a fine or imprisonment.

Here are a few tips:

- It is a legal requirement for businesses to use a licensed waste carrier to remove their waste – check they are registered.
- If you are running a business from home you will still need to dispose of your waste correctly - you should not use your household waste collection.
- Provide a written description of your waste to the company collecting your waste.
- Keep a signed copy of your Waste Transfer Notes - you must keep these for 2 years.
- Take action if you think your waste is being mishandled by those who remove it – you could be fined if they are illegally fly-tipping this waste.

Many councils offer competitive and easy to use waste and recycling services for businesses such as business waste collections or trade waste sites, which will ensure you comply with the above requirements. Check with your local authority for more information.
