Please summarise your concerns about this application:
<p>I write in my capacity as a licensing officer for the Leicestershire Police on the authority delegated to me by the Chief Constable.</p> <p>My representation relates to all four licensing objectives.</p> <p>This is a new premises licence application for a premises that currently trades as a café only. The applicant in her operating schedule has failed to clarify how she will promote the four licensing objectives.</p> <p>It is unclear in the application how the premises will operate with regard to the sale of alcohol and late night refreshment in particular the on and off sales.</p> <p>The application has omissions regarding provision of recorded music which</p>

needs to be clarified at part 11.

In addition the premises is located in a residential part of the city. The application fails to demonstrate how they will reduce noise, public nuisance and antisocial behaviour to the local community.

Further it is unclear in the application whether food and alcohol will be provided as part of a takeaway service and what prevention measures have been taken to prevent underage sales.

The police are continuing to negotiate with the applicant to reach a mutual agreement and make a hearing unnecessary.
