21. Responses to questions from the last meeting

A resident raised a concern at the response to question 91. She felt that it had previously been promised that traffic calming for the Milligan Road area would be taking place in 2006/7 and would cost £250,000. She was disappointed to read in the response that this would now be taking place in 2010/11 at a cost of £440,000. She felt that this was too long to wait in view of previous promises and that there was a danger of a death on the roads in that area.

Councillor Porter shared the concerns of the resident and requested that the matter be forwarded to Cabinet as a matter of urgency querying why the work hadn't been undertaken before now. He also requested that this matter be raised up the list of priorities so that the work could be undertaken before 2010/11.

RESOLVED:

- (1) that Cabinet be requested to explain why the traffic calming work in the Milligan Road hasn't been undertaken before now; and

- (2) that this matter be raised up the list of priorities so that the work could be undertaken before 2010/11.
