

CITY WARDEN UPDATE

BINS ON STREETS

More S46 Notices and contravention letters have been issued to properties on various streets due to bins being left on the street. However, although there are a couple of hotspots, this is not a major issue in Troon.

PRIVATE LAND

This continues to be a major issue throughout Troon. We have had several areas of private land cleared since the last meeting, including the removal of a vehicle. Some of this work is still ongoing, and land owners have received fines and costs for non-compliance. Residents worked together in one location to have a shared garage area cleared.

FLY TIPPING

Following a rise in fly-tipping at several locations, the Enviro Crime team are monitoring several hotspots in Troon. I have issued a FPN in response to Fly-tipping on Barkbythorpe Road and investigations continue. In other instances, warnings have been issued to residents and they have cleared their waste from the street immediately.

Love where you live

As a Leicester City resident there are plenty of things you can do to help keep your neighbourhood clean and tidy:

- **Bring your bin in after collection day**
- **Book a Bulky Waste Collection if you need to get rid of large items**
- **Use a bin - don't drop litter**
- **Clear up after your dog**
- **Look after your home and garden**
- **Report problems like littering, fly tipping and graffiti**
- **Join in with local community clean-up events**

LOVE OUR APP

With our new app you'll be able to let us know about any environmental problems and also access a wealth of council information from your smartphone or tablet.

How does it work?

- 1. Download it** - Our free app is available for Android, Windows, Blackberry and iPhones. Simply visit your app store and search for Love Leicester.
- 2. Spot it** - Whether it's graffiti, litter, fly-tipping, dog fouling or another environmental problem, you can let us know about it.
- 3. Report it** - Take a picture of the problem and upload it using the app. You can tag the location and include other details so we can fix the issue quickly.
- 4. Fix it** - When you submit your report the details and picture will be sent to the right team who can fix the problem. They'll also be able to post a picture of what they've done.

As well as reporting problems, you can tell us what you like about Leicester. You can also find event listings, details of your nearest leisure centre, current consultations and easily get to our mobile friendly website for information on all council services.

The app is part of the Love Clean Streets network which is used by many councils. This means you can use it anywhere to report problems in other cities as well as Leicester, and the app will route your report to the right council.

It replaces the old One Clean Leicester app so if you already have this on your phone you'll need to uninstall it and download our new Love Leicester app.
