4. Representations

- 4.1 A petition representation was received on 16 July 2026 from a member of the public. The representation relates to the prevention of public nuisance as well as prevention of crime and disorder.

The petitioners are worried that allowing the application to extend the opening/licensing hours will create loud noise, shouting and slamming car doors, which will seriously impact and disrupt their quality of sleep and life.

They also add that there is already a breach of the licensed hours of music, which continues until 01:00am or 02:00am several days a week – and this is already causing much problems with their quality of life, work, children rest, etc...

[REDACTED]

A copy of the representation is attached at Appendix C.

- 4.2 A representation was received on 17 July 2026 from Noise & Pollution Control Team. The representation relates to prevention of public nuisance. The Noise & Pollution Team are concerned about the effect on unregulated amplified music that could have a detrimental effect on the residents who are close proximity of the premises. They are worried that if left unregulated, it could lead to a statutory nuisance being witnessed (previously the Team had seized and called a review of the club licence at this premises location). The Team believe that the installation of a noise limiting device and agreeing the proposed conditions will prevent public nuisance.

A copy of the representation/agreement is attached at Appendix C1.

5. Conditions

- 5.1 The conditions that are consistent with the application are attached at Appendix D.

6. Statutory guidance and statement of licensing policy

- 6.1 Any decision made by the Licensing Authority must be in accordance with the licensing objectives. In addition, the government has issued guidance under section 182 of the Licensing Act 2003. The parts of the guidance that are particularly relevant in this case are as follows:

The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.

The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.

The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.

Please summarise your concerns about this application:
I refer to the above variation premises application for Emvee Lounge C/O Latimer Ward Conservative Inst.LTD on Surrey Street. The application includes extending the opening hours for late night refreshment and showing sporting events. Hours Requested Opening hours Sunday to Thurs 11:00-01:30 Friday and Saturday 11:00-02:30 Recorded Music Sunday to Thursday 11:00-01:00 Friday and Saturday 11:00-02:00 (indoors) Live Music Sunday to Thursday 11:00-01:00 Friday and Saturday 11:00-02:00 (indoors)

Please give further details of why you believe this application will have an adverse effect on the licensing objectives

My main concern is the effect on unregulated amplified music that could have a detrimental effect on the residents who are close proximity of the premises. If left unregulated it could lead to a statutory nuisance being witnessed. Previously we have seized and called a review of the club licence at this premises location.

I believe that the installation of a noise limiting device and agreeing a noise limit with the noise pollution team will prevent public nuisance.

The following conditions are recommended to be added to the licence:

- Installation of a noise limiting device and the level to be set and agreed by the Noise and Pollution team
- Receiving of deliveries must only be conducted between 07:00hrs and 22:00hrs.
- Emptying, dispensing or disposing of bottles in outside bins must only be conducted between 07:00hrs and 22:00hrs.
- Keeping all external door shut except for access and egress, in all the rooms involving amplified music or speech are taking place

I have discussed my concerns with the agent and an agreement document has been drafted and sent to the applicant.

Code of Practice for Hearings - Licensing Act 2003

Version 4a

July 2014

1. Introduction

- 1.1. This Code of Practice sets out how hearings to be held by Leicester City Council in its role as Licensing Authority under the Licensing Act 2003 will be conducted.
- 1.2. The Licensing Act – Hearings Regulations 2004 also regulate the conduct of hearings and this Code should be read in conjunction with those regulations. In the event of uncertainty the Regulations would take precedence.
- 1.3. Members of the Licensing Committee who sit on hearing panels are also governed by the “Code Of Practice For Member Involvement in Licensing Matters.”
- 1.4. The types of hearings to which this Code of Practice is applicable are set out in Sections 6.

2. Objectives

- 2.1. Hearings will be conducted in order to achieve the following objectives:
 - The decision making process promotes the licensing objectives of the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm.
 - All parties are given a fair hearing.
 - Hearings are conducted in an efficient manner.

3. Roles

- 3.1. The Licensing Committee has delegated the holding of hearings to Licensing Sub-Committees of three members. Members of the Sub-Committee will:
 - Consider information and evidence presented by the parties;
 - Control the conduct of hearings in accordance with this code;
 - Ask questions of the parties that are relevant to the matter to be determined.
 - Seek advice from the Legal Advisor and Licensing Officer
 - Make a determination at the conclusion of the hearing.
- 3.2. The Legal Advisor will give legal advice to the Sub-Committee on the following matters:
 - The interpretation of legislation;
 - Other legal matters;
 - The admissibility and relevance of evidence and other information presented by the parties;
 - The relevance and appropriateness of questions.The Legal Advisor will remain neutral to the decision making process.
- 3.3. The Committee Secretary will make a record of the hearing and will advise the Sub-Committee on the procedure to be followed. The Committee Secretary will remain neutral to the decision making process.

- 3.4. The Licensing Officer will provide the factual details of the matter to be considered and offer advice to the Sub-Committee on the Licensing Act, the authority's Licensing Policy and the Guidance issued by the Secretary of State, as they relate to the application and representations made. The Licensing Officer will remain neutral to the decision making process.
- 3.5. The Parties to the hearing include the applicant and any responsible authority or interested party who has made a representation or given a notice in respect of the application. They will be able to give further information in support of their application, representation or notice, to clarify any point that the Licensing Authority has raised, to address the Sub-Committee and, if given permission by the authority, question another party.
- 3.6. Ward councillors who appear at licensing hearings as interested parties, because they have made representations or requested reviews, will be given the same opportunities and be subject to the same restrictions as other parties to the hearing.

4. General Matters

4.1. Setting of Date for Hearings

- 4.1.1. In view of the requirement to hold hearings within specified times, the Licensing Authority will generally be unable to enter into discussions to identify dates convenient to all parties concerned.
- 4.1.2. The Licensing Authority will give notice of the hearing as set out in Section 6.
- 4.1.3. The notice will specify any points that the Licensing Authority would like to be clarified at the hearing.
- 4.1.4. In exceptional circumstances, the Licensing Authority will consider applications to adjourn hearings to a later date.

4.2. Notice of Attendance

- 4.2.1. Any party receiving a notice of hearing will give the Licensing Authority, within the time period specified in Section 6, a notice of whether they intend to attend or be represented at the hearing, or whether they consider a hearing to be unnecessary.
- 4.2.2. If a party wishes any other person (other than a person representing them) to appear at the hearing, the notice shall also contain a request for permission for this, with details of the name of the person and a brief description of the points that the person would be able to make.
- 4.2.3. If a party has not notified the Licensing Authority of their intention to attend a hearing, the rights of the party, as outlined in Paragraph 3.5 above, may only be exercised with the agreement of the Sub-committee.

4.3. Non- Attendance at Hearings

- 4.3.1. If a party to a hearing fails to attend, the licensing authority may hold the hearing in that party's absence unless it considers it in the public interest to adjourn the hearing to a later date.
- 4.3.2. Where a hearing is held in the absence of a party, any written representation made by the party will be considered by the Licensing Authority at the hearing.

4.4. Visits to Premises

- 4.4.1. In certain situations a visit to a premises that is the subject of a hearing may prove useful. This will be dependant on the purpose of the hearing and the level of information that is provided at the hearing. However, care needs to be taken to ensure that the visit does not prejudice the hearing, by evidence being presented at the visit, other than about the physical layout of the premises. Members should also be aware that, because of the limited time during which it is possible to arrange a visit, the timing may not always be the most convenient for all involved.
- 4.4.2. Where, after considering the information presented at the hearing, members of the panel believe that a visit would be useful, a visit may be organised subject to the following
 - The permission of the occupier of the premises being granted.
 - A suitable date being found for the visit within the time allowed for determination on the application.
 - Discussion of the application not taking place during the visit
 - An opportunity being provided for the other parties to the hearing to be present during the visit.

4.5. Documentary Evidence

- 4.5.1. Eight copies of any documentary or written information to be presented at hearings should be submitted to the Licensing Authority in accordance with the timescales set out in Section 6.
- 4.5.2. Parties to the hearing should also submit a written summary, of no more than one page of A4, of all information they intend to present at the hearing.
- 4.5.3. The Licensing Authority will forward copies of evidence and information to other parties to the hearing.
- 4.5.4. The Sub-Committee may only consider evidence submitted at the hearing if all parties agree to its late submission.

4.6. Maximum Time Allowances at Hearings

- 4.6.1. The Licensing Authority is required by regulation to allow the same maximum times for the parties to undertake the functions identified in paragraph 3.5 above. These are set out in Section 6.
- 4.6.2. Applications that all parties should be allowed extra time to undertake their functions, would need to be made in advance of the hearing. In these circumstances it may be possible to rearrange the hearing provided that statutory deadlines can still be met.

4.7. Public Hearings

- 4.7.1. Hearings will be in public.
- 4.7.2. The Sub-Committee may exclude the public from a hearing if it considers it in the public interest to do so.

4.8. Right of Assistance and Representation

- 4.8.1. Any party to a hearing may be assisted or represented by any person whether legally qualified or not.

5. Procedure at Hearings

5.1. Format of Hearings

 - a schedule of the points that require clarification that were identified in the notice of hearing.

5.4. Presentation of Information

- 5.4.1. Each party will clarify any points raised by the authority and give further information in support of their representation, notice or application. Questions about the information may be asked by the Sub-Committee members (see Paragraph 5.5). Cross-examination by another party will not be allowed unless the Sub-Committee consider it would assist them in arriving at a determination.
- 5.4.2. The Licensing Authority will seek to focus the hearing on the promotion of the licensing objective that gave rise to the hearing and avoid the hearing straying into undisputed areas. The information should therefore be relevant and relate to the representation, notice or other determination to be considered and to the promotion of the licensing objectives.
- 5.4.3. Where more than one representation has been made, the party making the representation should avoid duplicating the points made by other parties although they may briefly state their agreement with them.
- 5.4.4. Generally, the parties may not add further representations to those disclosed to the applicant prior to the hearing, but they may amplify their existing representation.
- 5.4.5. Information will be presented first by the party making the representation or notice followed by a response by the applicant. Where there is more than one party giving a representation or notice, the Sub-Committee will decide which order they should take.
- 5.4.6. The maximum time allowed for each presentation is set out in Section 6.

5.5. Questions

- 5.5.2. The questions will be relevant and relate to the representation, notice or other determination to be considered. Duplication will be avoided.

5.6. Final Addresses to the Sub-Committee

- 5.6.2. The maximum time allowed for addressing the Sub-Committee is set out in Section 6.

5.7. Close of Hearing

- 5.7.1. On completion of all presentations and questions, the Chair of the Sub-Committee will declare the hearing closed.

5.8. Determination

- 5.8.1. The Sub-Committee will make a determination of the matters to be considered within the timescales set out in Section 6.
- 5.8.2. In coming to a determination the Sub-Committee may take advice from its Licensing Officer and Legal Advisor. All such advice will be given in the presence of the parties to the hearing.
- 5.8.3. Where the parties of the hearing are excluded from the hearing whilst the Sub-Committee considers its determination, then except as allowed for in Paragraph 5.8.4 below, all persons present, including council officers, will also be excluded from the hearing. As an exception to the above, the Sub-Committee may decide that the Committee Services Officer may remain to record, but not take part in, the decision making process.
- 5.8.4. After reaching its determination, the Sub-Committee may ask the Legal Advisor present to verify the wording of the determination and the Committee Services Officer to record the decision, prior to it being announced to the parties. This verification and recording may take place in private.

5.9. Announcement of Determination and Notification

- 5.9.1. If the Sub-Committee has made its determination immediately after the hearing, it will announce its decision, and where applicable the reasons for it, to the parties present.
- 5.9.2. Written notification of the determination will be given to the parties within the timescales set out in Section 6. Notifications will include information about the rights of appeal against the determination made.

RE: Character Reference for Mr Mansukh Sangani T/A Emvee Lounge
Hearing Date: 19th August 2026

Dear Members of the Licensing Committee,

I am writing this character reference in support of Mr Mansukh Sangani, trading as Emvee Lounge, who is currently applying for a variation to the premises licence. I am writing in my capacity as the Secretary of the Latimer Ward Conservative Club, who is the Landlord to the premises.

Throughout the 10 years I have known Mr Sangani, he has consistently demonstrated that he is a responsible, honest, and highly professional operator. He takes great pride in his work and runs Emvee Lounge with the highest standards of integrity.

I am entirely confident in his ability to manage the proposed licence variation, as he actively meets and upholds the four licensing objectives in the following ways:

- **The Prevention of Crime and Disorder:** Mr Sangani maintains a strict, zero-tolerance approach to anti-social behaviour. He ensures robust security measures, effective staff training, and excellent crowd control are consistently in place at Emvee Lounge.
- **Public Safety:** He prioritises the safety of both his customers and the wider public. The premises are managed meticulously, with clear adherence to capacity limits, fire safety protocols, and risk assessments.
- **The Prevention of Public Nuisance:** Mr Sangani is highly mindful of neighbouring properties. He actively implements measures to control noise levels, manages customer dispersal efficiently at closing time, and ensures the external areas are kept clean and tidy.
- **The Protection of Children from Harm:** He enforces a strict age-verification policy (such as Challenge 25) and ensures all staff are thoroughly trained to prevent underage sales, creating a safe environment that protects young people.

Mr Sangani possesses the character, diligence, and experience required to manage these proposed variations responsibly without causing disruption to the local area.

I strongly support his application and respectfully ask the Committee to take this reference into consideration during the hearing. Please do not hesitate to contact me if you require any further information.

Yours faithfully,

Mr Dave Rollason
