7th December 2021

**Application for a variation of an existing premises licence within a Cumulative
Impact Zone
2Funky Bar & Kitchen 23 New Park Street, Leicester, LE3 5NH**

Report of the Director of Neighbourhood and Environmental Services

1. Purpose of Report

- 1.1. This report provides information for Members about an application made under the Licensing Act 2003, to assist them in determining the outcome of that application.

2. Determination to be made

- 2.1. Having considered the application and representation(s), Members must consider whether to
- Grant the licence without modification
 - Modify the conditions of the licence
 - Reject the whole application

3. Summary

- 3.1 This report outlines an application for a variation to an existing premises licence for 2Funky Bar & Kitchen within the Braunstone Gate area Cumulative Impact Zone and summarises the representations received. It also highlights the licensing objectives, the relevant parts of the guidance and regulations, and the pertinent sections of the Licensing Authority's Licensing Policy.

4. Location Plan

5. Existing Licence

5.1. The existing licence is attached at Appendix A.

6. Application

6.1 An application was received on 20th October 2021 from Mr Vijay Mistry for a variation to an existing premises licence for 2Funky Bar & Kitchen within the Braunstone Gate area Cumulative Impact Zone. A copy of the application is attached at Appendix B.

6.2 The variation sought by the application is as follows:

Licensable activity	Current Hours	Proposed Hours
Live Music	Mon – Sun 11.00 – 02.00 Indoors	Sat – Sun 14.00 – 02.00 Outdoors
Recorded Music	Mon – Sun 11.00 – 02.00 Indoors	Sat – Sun 14.00 – 02.00 Outdoors
Performances of Dance	Mon – Sun 11.00 – 02.00 Indoors	

Late night refreshment	Mon – Sun 23.00 – 02.00 Indoors	
Supply of Alcohol	Mon – Sun 11.00 – 02.00	
Opening hours	Mon – Sun 11.00 – 02.00 on sales	Mon -Sun 11.00 – 02.00 on & off sales

7. Steps to Promote the Licensing Objectives

- 7.1 The steps the applicant proposes to take to demonstrate that the premises will not add to the existing cumulative impact and promote the licensing objectives are set out in the operating schedule (see section M of Appendix B).
- 7.2 In arriving at its decision on the application, the Licensing Authority's primary consideration must be the promotion of the licensing objectives.

8. Regulated Entertainment

- 8.1 The Live Music Act 2012 and the Legislative Reform (Entertainment Licensing) Order 2014 amended the Licensing Act 2003 in relation to the provision of regulated entertainment. Certain entertainment does not require a licence subject to audience limits, between 08.00 and 23.00 hours each day.
- 8.2 The above exemptions may affect the application under consideration because conditions may not be imposed at this stage to control live or recorded music that is unregulated. However, if problems do occur as a result of that entertainment then conditions may be imposed to control such music in the future after a formal review.

9. Representation

- 9.1 A representation was received on 1st November 2021 from the Noise & Pollution Control Team. The representation relates to the prevention of public nuisance. The Noise & Pollution Control Officer is concerned that allowing music outside will cause noise nuisance to local residents. A copy of the representation is attached at Appendix C1.
- 9.2 A representation was received on 21st October 2021 from Leicestershire Police. The representation relates to the prevention of crime and disorder and public safety. Leicestershire Police are concerned that the proposed changes could lead to anti-social behaviour and crime and disorder in the area. Leicestershire Police have proposed two conditions to be added to the licence. These have been agreed with the applicant. A copy of the representation and agreement are attached at Appendix C2.

10. Conditions

- 10.1 The conditions that are consistent with the operating schedule and the representation are attached at Appendix D.

11 Cumulative Impact

- 11.1 In February 2005 Leicester City Council introduced a special policy on cumulative impact in the Braunstone Gate area, which refers specifically to on and off licences. The licensing authority must have regard to the special policy. However, this does not change the fundamental way that licensing decisions are made. It is therefore open to the licensing authority to grant an application where it considers it is appropriate and where the applicant can demonstrate in the operating schedule that they would not be adding to the cumulative impact.

12. Statutory Guidance

- 12.1 Any decision made by the Licensing Authority must be in accordance with the licensing objectives. In addition, the government has issued guidance under section 182 of the Licensing Act 2003. The parts of the guidance that are particularly relevant in this case are as follows:

Section	Heading
1.2 – 1.5	Licensing Objectives and aims
1.15 – 1.16	General Principles
1.17	Each application on its own merits

9.11 – 9.12	Role of responsible authorities

10.8 – 10.9	Imposed conditions
10.10	Proportionality
10.13 - 10.15	Hours of trading

14.51 – 14.52	Licensing Hours
16.1 – 16.69	Regulated entertainment

13. Statement of Licensing Policy

- 13.1 The relevant parts of the Licensing Authority's Statement of Licensing Policy are as follows:

Section	Heading
2	Fundamental Principles
3	Cumulative Impact
4	Policy on Cumulative Impact
5	Licensing Hours
7	Prevention of Crime and Disorder

14 Points for Clarification

2. In the light of the representations made, does the applicant wish to propose any additional steps for the promotion of the licensing objectives?

The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.

If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

Public Safety	<input type="checkbox"/> No
Prevention of public nuisance	<input type="checkbox"/> Yes

Please summarise your concerns about this application:
<p>On several occasions the premises has operated with music outside, which resulted in many complaints about noise from the premises. In August 2019 two consecutive noise nuisances were witnessed from the premises when speakers were used outdoors. I am satisfied that it is likely that music outdoors, as proposed, will cause a noise nuisance to local residents.</p>

Please give further details of why you believe this application will have an adverse effect on the licensing objectives

The venue held two events in 2019 that have caused a noise nuisance, and one which resulted in a complaint and was likely to have caused a noise nuisance, although other calls prevented officers from witnessing a nuisance. On each occasion music was played through speakers outside of the premises, in contravention of the premises licence.

On 4th August 2019 at 0130 music from 2funky Bar and Kitchen was sufficiently loud to cause a noise nuisance in an apartment over 300m from the venue. Bass was particularly intrusive, but the volume of music alone, measured in the complainant's bedroom was sufficient to prevent sleep. The source was confirmed as 2funky Bar and Kitchen, where doors and windows were open, and at least one speaker was located outside of the premise. A Temporary Event Notice had been granted for this date, to extend hours beyond existing licenced hours, but had not yet commenced, and at the time that the nuisance was witnessed the premises was operating under then Premises Licence.

On 10th August 2019 at 2130 music from 2funky Bar and Kitchen was again sufficiently loud to cause a noise nuisance in an apartment over 300m from the venue. Bass was intrusive in the complainant's bedroom, dominating the noise from the venue, sufficient to prevent sleep. The source was again confirmed as 2funky Bar and Kitchen, where the source of music was outside of the premise, in contravention of the Premises Licence.

On 31st August 2019 a further complaint was received about loud music from 2funky bar and kitchen. Although other calls prevented officers from visiting the complainant while the noise was allegedly causing a nuisance, brief observations were made outside the premise at 2150, and it was noted that again music was being played outside of the premise, in contravention of the Premises Licence.

I appreciate that no nuisances have been witnessed since 2019, which I presume is because music has been restricted to indoors, in compliance with the exiting licence.

I am satisfied from the above observations that the Premises Licence Holder/Designated Premises Supervisor is unable to manage noise levels from music played outside of the venue. It is clear than any music outside of the premise, other than background music, will cause a noise nuisance to local residents.

The applicant has not proposed any measures in the application to prevent public nuisance from loud music played outdoors.

I therefore recommend that this application, as submitted, be refused.

Public Safety	<input checked="" type="checkbox"/>
Prevention of public nuisance	<input type="checkbox"/>
Protection of children from harm	<input type="checkbox"/>

Please summarise your concerns about this application:
<p>I write in my capacity as Leicester City Centre's alcohol licensing officer for Leicestershire Police, with delegated authority given by the Chief Constable.</p> <p>My representation to this full variation licence application is based upon the licensing objectives as per the Licensing Act 2003.</p> <p>The application in its current format if granted would undermine two of the four licensing objectives in relation to the prevention of crime and disorder and public safety.</p> <p>This is a variation licence application for an existing licensed premises.</p>

The premises is located at 23 New Park Street, Leicester.

The nearest residential properties are located around the corner on Braunstone Gate.

The premises is located within the “Braunstone Gate Area” cumulative impact zone as referred to in Leicester City Council’s Statement of Licensing Policy 2015.

However, this policy is currently being reviewed. The policy states that *“these policies cannot be absolute and it will continue to consider each application on its merits. Licences that are unlikely to add to the problems of the cumulative impact area would be approved”*.

The premises existing opening hours to the public are daily from 11am until 2am.

The premises existing hours for the supply of alcohol is also daily from 11am until 2am, for “on” the premises only.

The premises existing licensable activities including the performance of live music, the playing of recorded music and performance of dance is also “indoors” only.

The applicant has applied to provide live music, recorded music until 2am on Saturday and Sunday morning only both indoors and outdoors as result of the newly refurbished enclosed outdoor area.

The applicant has also applied to supply alcohol daily until 2am both on and off the premises, again within the newly refurbished enclosed outdoor area.

The inclusion of the newly refurbished enclosed outdoor area increases the premises size and capacity.

The proposed changes could potentially increase the likelihood of anti-social behaviour, crime and disorder at or within proximity to the premises regardless of the best intentions of the applicant. Alcohol related violent crime increases given longer hours that customers are permitted to consume alcohol.

Therefore, the management of the external area is paramount.

Leicestershire Police believe that the inclusion of additional conditions would mitigate the risk discussed above and promote the licensing objectives.

The conditions also reflects the applicant’s intentions to operate the business in a manner to support the licensing objectives.

Therefore, the two additional conditions proposed are:

- (1) The licence holder will ensure a high definition, coloured CCTV camera system is installed, recording whilst the premises is open to the public and permits the identification of individuals. CCTV images to be securely stored, display an accurate date/time stamp and be retained for a minimum of 31 days. Cameras to cover all of the external areas including the entrance, exit, and outdoor bar area.
- (2) The licence holder will ensure that the use of door supervisors will be risk assessed on an ongoing basis and if deemed necessary all door supervisors will be Security Industry Authority (SIA) registered. A record must be kept which includes their full details (name and SIA badge number), must be clear, eligible, kept on the premises

and available to the responsible authorities upon request.

The applicant has agreed to the eight additional conditions and this is confirmed in a signed written agreement dated Wednesday 20th October 2021.

In light of the above agreement, Leicestershire Police no longer believe that a licensing hearing is required.

Dear Sir,

Re: 2 Funky Bar & Kitchen, New Park Street, Leicester. LE3 5NH

I write in my capacity as applicant in relation to the above matter.

Discussions have taken place with the Leicestershire Police in relation to the promotion of the Licensing Objectives.

I am aware that representations have been made and that the following conditions should be placed upon the new licence:

- (1) The licence holder will ensure a high definition, coloured CCTV camera system is installed, recording whilst the premises is open to the public and permits the identification of individuals. CCTV images to be securely stored, display an accurate date/time stamp and be retained for a minimum of 31 days. Cameras to cover all of the external areas including the entrance, exit, and outdoor bar area.
- (2) The licence holder will ensure that the use of door supervisors will be risk accessed on an ongoing basis and if deemed necessary all door supervisors will be Security Industry Authority (SIA) registered. A record must be kept which includes their full details (name and SIA badge number), must be clear, eligible, kept on the premises and available to the responsible authorities upon request.

No further conditions

I agree to these conditions and do not therefore consider that a hearing is necessary.

Yours faithfully
