Information for members of the public

Attending meetings and access to information

You have the right to attend formal meetings such as Full Council, committee meetings, and Scrutiny Commissions and see copies of agendas and minutes. However, on occasion, meetings may, for reasons set out in law, need to consider some items in private.

Members of the public can follow a live stream of the meeting on the Council's website at this link: <http://www.leicester.public-i.tv/core/portal/webcasts> unless the meeting is taking place away from City Hall in which case a revised link will be published in the agenda.

Due to Covid we recognise that some members of the public may not feel comfortable viewing a meeting in person because of the infection risk. Anyone attending in person is very welcome to wear a face covering and we encourage people to follow good hand hygiene and hand sanitiser is provided for that purpose. If you are displaying any symptoms of Coronavirus: a high temperature; a new, continuous cough; or a loss or change to your sense of smell or taste, and/or have taken a recent test which has been positive we would ask that you do NOT attend the meeting in person please.

Making meetings accessible to all

Wheelchair access – Public meeting rooms at the City Hall are accessible to wheelchair users. Wheelchair access to City Hall is from the middle entrance door on Charles Street - press the plate on the right hand side of the door to open the door automatically.

Induction loops - There are induction loop facilities in City Hall meeting rooms. Please speak to the Democratic Support Officer using the details below.

Filming and Recording the Meeting - The Council is committed to transparency and supports efforts to record and share reports of proceedings of public meetings through a variety of means, including social media. In accordance with government regulations and the Council's policy, persons and press attending any meeting of the Council open to the public (except Licensing Sub Committees and where the public have been formally excluded) are allowed to record and/or report all or part of that meeting. Details of the Council's policy are available at www.leicester.gov.uk or from Democratic Support.

If you intend to film or make an audio recording of a meeting you are asked to notify the relevant Democratic Support Officer in advance of the meeting to ensure that participants can be notified in advance and consideration given to practicalities such as allocating appropriate space in the public gallery etc.

The aim of the Regulations and of the Council's policy is to encourage public interest and engagement so in recording or reporting on proceedings members of the public are asked:

- ✓ to respect the right of others to view and hear debates without interruption;
- ✓ to ensure that the sound on any device is fully muted and intrusive lighting avoided;
- ✓ where filming, to only focus on those people actively participating in the meeting;
- ✓ where filming, to (via the Chair of the meeting) ensure that those present are aware that they may be filmed and respect any requests to not be filmed.
