In reaching their decision, Members felt they should deliberate in private on the basis that this was in the public interest, and as such outweighed the public interest of the deliberation taking place with the parties represented present, in accordance with the Licensing Act 2003 (Hearings) Regulations 2005.

The Sub-Committee Members recalled the Legal Adviser to the Sub-Committee to give advice on the wording of the decision.

RESOLVED:

That the application for a new Premises Licence for One Stop, 7-9 Charnwood Walk, Leicester, LE5 3FN be GRANTED subject to the conditions consistent with the operating schedule and the conditions consistent with representation from Leicestershire Police.

The Sub-Committee considered an application by ABFD Ltd for a Premises Licence for the One Stop Convenience Store. The Sub-Committee considered all the representations, both written and oral, and took account of the Statutory Guidance, the Regulators' Code, and the Council's Licensing Policy.

The Sub-Committee's decision was that it was appropriate for the promotion of the licensing objectives of the prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm to grant the application subject to the conditions detailed below as agreed at the hearing by the parties.

CONDITIONS CONSISTENT WITH THE OPERATING SCHEDULE

- The licence holder will report all crimes immediately and check CCTV footage.
- The licence holder will display information about safety rules.
- The licence holder will consult with the local community and report incidents where appropriate.

CONDITIONS CONSISTENT WITH REPRESENTATION FROM LEICESTERSHIRE POLICE

- CCTV will be installed at the premises, and the footage retained for a minimum of 28 days. The footage will be made available within 24 hours of a request being made by a relevant authority.
- There will be a member of staff who is trained to use the CCTV system, who will be on the premises whilst it is open to the public.
- Prominent signs will be placed at the exit, requesting customers to keep their noise to a minimum and to respect the needs of the local community.
- A 'Challenge 25' policy will be in place and adhered to, and only identification which is 'Pass' certified will be accepted.
- All staff will receive training on the 'Challenge 25' policy.
- All staff will be trained on the four licensing objectives and the responsible sale of alcohol.

- All staff training will be refreshed every 12 months and a written training log will remain on the premises and be produced to the relevant authorities upon a request being made.
- A refusal and incident book will be kept on the premises, this will be updated accordingly and produced to the relevant authorities upon a request being made.

REASONS FOR THE DECISION

The application requested authorisation of off sales of alcohol during the opening hours of the premises, those being 7am to 10pm daily. Representations were made by the Police, members of staff at a local school and twenty-three other members of the public regarding all of the licensing objectives. The Police had been concerned with the lack of detail in the application on the promotion of the licensing objectives but did not seek a refusal of the application. Rather, they had agreed conditions with the applicant to be added to the licence if it was granted. The other representations detailed the location of the premises close to schools, places of worship and a health centre. They referred to existing issues with anti-social behaviour and crime which could be exacerbated by the introduction of a new premises supplying alcohol. The representations were concerned with the current level of street drinkers in the area which might increase and the harm, including harm to children, that might result. The representations also referred to the presence of other licensed premises in the area and a likely increase in traffic and noise if the application was granted.

The applicant was ABFD Ltd. The Company was incorporated on 02/09/20. Mr Franklin Dias was the sole director, his brother Mr Newton Dias was the Company Secretary and was to be the Designated Premises Supervisor. The applicant accepted that the operating schedule in its application was not as comprehensive as it should have been and accepted it was understandable that local residents would be concerned without knowledge of what was intended for the premises.

The applicant explained that the premises was to be a One Stop Tesco franchise convenience store providing pay point facilities and selling groceries, fruit and veg, household items, alcohol, cigarettes, and lottery merchandise. The premises had been closed / derelict for the previous seven years. The applicant would be investing approximately £60,000. The premises would be refurbished and would in effect be a mini-supermarket. The business would be run as a family business. Mr Franklin Dias and Mr Newton Dias had managed the Public House next door to the premises for the last ten years without issue (having dealt with anti-social behaviour issues that existed around the Public House when they took it over). They lived in the community.

The Sub-Committee felt that some of the representations of local residents were speculative. The presence of other licensed premises in the area was a relevant issue only in so far as the Convenience Store might either generate or add to existing problems with anti-social behaviour and similar matters. Other

than the representations by the Police regarding the inadequacy of the operating schedule the Police had not provided any information regarding crime figures giving concern for levels of crime and anti-social behaviour in the area. No other Responsible Authorities had made representations.

The Sub-Committee had confidence in the standards required by the Tesco One Stop franchise and confidence in Mr Franklin Dias and Mr Newton Dias as evidenced by their track record in the area in connection with operating the Public House next door to the premises.

The Sub-Committee appreciated the concerns of local residents but was of the view that the conditions on the licence agreed by the applicant with the Police were appropriate and proportionate to deal with those concerns.

60. APPLICATION FOR A NEW PREMISES LICENCE FOR CORAH WORKS, 1ST FLOOR, EURO HOUSE, ST JOHN STREET, LEICESTER, LE1 3WL

The Director of Neighbourhood and Environmental Services submitted a report on an application for a new Premises Licence for Corah Works, 1st Floor Euro House, St John Street, Leicester, LE1 3WL.

The Chair led on introductions and outlined the procedure the meeting would follow.

Mr Karandeep Ricky Singh Gill (Premises License Holder (PLH) / Designated Premises Supervisor (DPS)) was present accompanied by Mr Abdul Rahman, Licensing Agent. Mr David Braithwaite, Deputy Licensing Manager for Leicestershire Police and Mr TJ Mavani (Licensing Team Manager, Enforcement) were present as persons who had made representation. Also present was the Chief Licensing Officer and the Legal Adviser to the Sub-Committee.

The Chief Licensing Officer presented the report.

The Sub-Committee Members noted that a representation was received on 22nd February 2022 from the Licensing Enforcement Team, Leicester City Council on the grounds of the prevention of crime and disorder, the prevention of public nuisance, public safety and the protection of children from harm.

The Sub-Committee Members noted a representation had been received from Mr David Braithwaite for Leicestershire Police on 24th February 2022 on the grounds of the prevention of crime and disorder, the prevention of public nuisance, public safety and the protection of children from harm.

The Sub-Committee Members noted a further representation had been received from the Noise Team, Leicester City Council on the grounds of the prevention of public nuisance.

Mr Braithwaite was given the opportunity to outline the details of the Police representation and answered questions from members.

The Licensing Team Manager (Enforcement) outlined the reasons for the representation and answered questions from Members and Officers.

Mr Gill and Mr Rahman were given the opportunity to put forward their case and address concerns raised by Officers and Leicestershire Police and answer questions from Members and Officers.

All parties were given the opportunity to sum up their positions and make any final comments.

The Sub-Committee received legal advice from the Legal Adviser to the Sub-Committee in the presence of all those present.

In reaching their decision, Members felt they should deliberate in private on the basis that this was in the public interest, and as such outweighed the public interest of their deliberation taking place with the parties represented present.

The Chair announced that the decision and reasons made during private deliberation would be publicly announced in writing within five working days. The Chair informed the meeting that the Legal Adviser to the Sub-committee would be called back to give advice on the wording of the decision.

The Chair then asked all but Members of the Sub-Committee and Democratic Support Officers to leave the meeting. The Sub-Committee then deliberated in private to consider their decision.

The Sub-Committee recalled the Legal Adviser to the Sub-Committee to give advice on the wording of the decision.

REASONS FOR THE DECISION

Authorisation was sought for various licensable activities at the nightclub. The applicant Mr Gill Was to be the Designated Premises Supervisor (DPS). No representations had been received from members of the public.

Representations had been made by the Council’s Licensing Enforcement Team, the Police, and the Council’s Noise Team regarding all of the licensing

objectives.

The Sub-Committee heard the Licensing Enforcement Team and the Police were concerned at the lack of detail in the application regarding the promotion of the licensing objectives., which was despite the holding of a multi-agency meeting, at which Mr Gill was present, before he submitted the application. They had each set out conditions they felt should be attached to the licence if it was granted, but the starting position for the Police was that the application should be refused. The Police explained that the premises previously had the benefit of a premises licence but it lapsed on the death of the then licence holder Mr Girn. The Police had been concerned at the lack of contact with Mr Girn regarding the holding of events which had breached the licence conditions and when they attended his home address on 11/11/21 they found out he had died on 04/09/21.

The Police informed the Sub-Committee that following previous events at the premises, St John Street was often littered with waste and drugs paraphernalia, which they accepted was not attributable to the premises but there had been Police calls to the premises. The Police pointed to the holding of three unauthorised events at the premises in September and October 2021 which resulted in the Police having to respond to reports of crime and disorder (although the Police did not indicate that Mr Gill was involved in holding those events as they had not been able to ascertain who had been sending emails from the premises). The Police had concerns over the large capacity of the venue, the proposed late operating hours, the nature of proposed events being likely to attract Police resources and concerns regarding the lack of Leicester City Council CCTV coverage in the area and the outdated CCTV coverage at the premises. In addition, the Police indicated that Mr Gill was relatively inexperienced having only recently obtained a Personal Licence.

The Noise Team was concerned at the potential for public nuisance to residents, especially those in the residential units opposite the premises but had originally reached agreement with Mr Gill regarding conditions to be attached to the licence if it was granted. One of those conditions provided for opening hours of 9 am through to 4 am with no provision for additional opening hours. However, Mr Gill had requested, for commercial operation of the nightclub, that the Sub-Committee consider an end to licensable activities at 3.30 am with a closing time of 4 am, but with provision on twelve occasions in a calendar year for licensable activities to end at 4.30 am with a closing time of 5 am. The Police suggested an end to licensable activities at 3 am with a closing time of 3.30 am, with provision for additional events requested by Mr Gill.

Mr Rohomon on behalf of Mr Gill indicated that the premises would be operated in a similar fashion to its operation by Mr Girn. The intention was not to open the premises seven days a week, rather it was to cater for bespoke events. Mr Rohomon accepted that the operating schedule in the application had not been sufficient in content. He explained that Mr Gill had worked with Mr Girn and Mr Girn's brother for a number of years at the premises. Mr Gill had been the bar manager. Mr Rohomon indicated that Mr Gill had not appreciated any procedure that 'might' have been available subsequent to Mr Girn's death

regarding possible transfer of the licence.

Although the current application for a licence was a new application, Mr Girn had held his licence for ten years without objection by the Responsible Authorities. He questioned why it would now be appropriate to refuse a licence. Mr Gill and Mr Girn's brother were going to continue to operate the business so the only difference was the absence of Mr Girn. Mr Rohomon confirmed that the CCTV facilities at the premises were booked to be updated by 2 April 2022. He agreed with the conditions proposed by the Responsible Authorities with the exception of the condition regarding the opening hours.

The Sub-Committee noted that no members of the public had made representations and noted Mr Rohomon's representations regarding the previous licence and the presence of the same members of the management team at the premises.

The Sub-Committee shared the Police concerns regarding the unauthorised activities that took place in September and October 2021. The Sub-Committee was provided with the witness statement of PC Hughes who indicated that the event on 31 October 2021 led to reports of door staff being threatened and struggling to close the premises. Shortly after 4 am there were at least 100 people in the immediate area who were very loud. Several police crews attended to show a police presence and disperse the crowd which took approximately thirty minutes.

Having decided to grant a licence with conditions, the Sub-Committee felt that it was appropriate and proportionate for there to be a daily end to licensable activities at 3.00am with a premises closing time of 3.30 am, with no provision in the licence conditions for additional occasions in the calendar year with extended opening hours.

61. OBJECTION NOTICE FOR A TEMPORARY EVENT NOTICE: ROLLS AND ROTI LTD, 94 WOOD HILL, LEICESTER, LE5 3SQ

There being no other items of urgent business, the meeting closed at 1.06pm.

9.31 – 9.41	Hearings
9.42 – 9.44	Determining actions that are appropriate for the promotion of the licensing objectives

6. Points for clarification

- 6.1 The applicant and the parties making the representation have been asked to clarify certain points at the hearing, as follows:

By the applicant

1. Whether the applicant considers that the concerns outlined in the representations are valid, and if not why not.
2. In the light of the representations made, whether the applicant wishes to propose any additional steps for the promotion of the licensing objectives.

By the parties making the representations

1. Whether they have any additional information to support the representation they have made.
2. Whether there are any additional steps that could be taken which would be equally effective in the promotion of the licensing objectives.

7 Regulated entertainment

- 7.1 The Live Music Act 2012 and the Legislative Reform (Entertainment Licensing) Order 2014 amended the Licensing Act 2003 in relation to the provision of regulated entertainment. Certain entertainment does not require a licence subject to audience limits, between 08.00 and 23.00 hours each day.
- 7.2 The above exemptions may affect the application under consideration because conditions may not be imposed at this stage to control live or recorded music that is unregulated. However, if problems do occur as a result of that entertainment then conditions may be imposed to control such music in the future after a formal review.

Please state the grounds for review (please see guidance note 1)

Five nuisances have been witnessed by the noise and pollution control team from both amplified music and raised voices from people using the premises.

The first noise nuisance witnessed on 10 October 2021 at 01:55 hours and it was from amplified music escaping from the opened front door. A warning letter was served, and a site visit was made on 13 October 2021, issues discussed with the PLH.

The second noise nuisance was witnessed on 24 October 2021 at 01:15 hours from loud distinct bass beat music escaping from the rear of the premises. Another warning letter was served, and a site visit was made on 28 October 2021, issues discussed with the PLH.

The third noise nuisance was witnessed on 7 November 2021 at 01:55 hours from loud distinct bass beat music escaping from the opened front door of the premises. Another warning letter was served, and a phone call made to the PLH the following day (8 November 2021), issues discussed.

The fourth noise was witnessed on 13th November 2021 at 22:15 hours from loud distinct bass beat music escaping from the rear of the premises. An Abatement Notice was served on 17th November 2021. A further site visit was made on 16 December 2021 when issues discussed with the PLH.

The fifth noise nuisance was witnessed on 14th January 2022 at 23:25 hours from loud distinct bass beat music escaping from the rear of the premises.

The PLH has undertaken works to provide a lobby to the front of the premises and to add some level of sound proofing to the rear. Unfortunately, the steps taken have not prevented noise nuisance recurring.

To prevent public nuisance from amplified music and patron noise recurring, I therefore formally request a review of the premises licence for Sophy, 8 - 10 King Street, Leicester to

- 1) Reduce the opening hours from 11:00 – 07:00 Monday – Sunday to 11:00 – 01:00 Mon - Sunday and
- 2) Request that noise limiters are installed to both the ground floor and basement sound systems:

All amplified music and voice on the premises shall be played through a noise limiting device which is installed, fitted and maintained in such a manner as to control all sources of amplified music and voice at the premises. The level shall be set to the agreement of the Noise and Pollution Team to prevent noise nuisance being caused to the public, and the agreed level shall not be exceeded without the agreement of the Noise and Pollution Control Team. Once the device is set it should be inaccessible to anyone on the premise other than the licence holder.

Please provide as much information as possible to support the application

The Noise and Pollution Team have received noise complaints regarding Sophy, 8 - 10 King Street, Leicester from 4 properties in the vicinity since 13 September 2021. We have since witnessed five noise nuisances from the premises.

On the 10 October 2021, a call to the service was received at 01:36 hours regarding noise from amplified music at Sophy, officers then attended complainant's property at 01:55 hours, where loud music was observed emanating from the opened front entrance door. Officer was satisfied that music was unreasonable and affecting the complainant from sleeping. A warning letter was served 13 October 2021, and a site visit was made on 13 October 2021, issues discussed with the PLH. PLH agreed to install a lobby door system after advised was given.

A further complaint was received to the service on 24 October 2021 at 00:54 hours regarding loud music, officers then attended complainant's property at 01:15 hours, where loud distinct bass beat music was observed escaping from the rear of the premises. Officer was satisfied that music was unreasonable and affecting the complainant from sleeping. Another warning letter was served 28 October 2021, and a site visit was made on 28 October 2021, issues discussed with the PLH. PLH agreed to seal some noticeable holes at the rear and promised to install self-closers at the rear doors.

On the 7 November 2021, a call to the service was received at 01:40 hours regarding noise from amplified music at Sophy, officers then attended complainant's property at 01:55 hours, where loud music was observed emanating from the opened front entrance door. Officer was satisfied that music was unreasonable and affecting the complainant from sleeping. A warning

letter was served 11 November 2021, and a phone call made on 8 November 2021, issues discussed with the PLH. PLH promised to monitor the situation a bit better as it is a management issue.

Another complaint was received to the service on 13th November 2021 at 21:15 hours regarding loud music, officers then attended complainant's property at 22:22 hours, where loud distinct bass beat music was observed escaping from the rear of the premises. Officer was satisfied that music was unreasonable and affecting the complainant from sleeping. An Abatement Notice was served on the PLH (Mr Manoj Kumar) and DPS (Mr Jack Dorman) On 17 November 2021, and a site visit made on 16 December 2021, issues discussed with the PLH.

Lastly, two calls were received to the service by the same complainant on 14th January 2022 at 22:00 hours & 23:15 hours regarding loud music, officers then attended complainant's property at 22:25 hours & 23:25 hours, where loud distinct bass beat music was observed on both occasions escaping from the rear of the premises. Officer was satisfied on both occasion that music was unreasonable and affecting the complainant from sleeping

Sophy is located in a mixture of residential and commercial area. However, majority of the Local flats and houses do not include acoustic glazing sufficient to mitigate such noise levels, nor additional ventilation that permits windows to remain closed. Consequently, during late at night and early hours of the morning, noise from recorded music played at a volume typical of such entertainment venue, prevent the normal and reasonable use of local properties.

It is therefore, recommended the premises licence is reviewed and conditions (as recommended above) added to the licence to ensure further noise nuisances are not caused to occupiers of close by residential properties especially to the adjoining residential units.

Re noise from Sophy night club 8-10 King Street, Leicester

Dear Licensing team,

Thank you for your letter dated 20th January concerning noise from Sophy night club. I would like to make the following written submission about noise from the club. I complained in 2021 due to the extremely loud noise coming from the club and was contacted by your noise team. I would like to confirm that the noise was really excessive, loud bass and noise from people around the club, this went on until very early in the mornings on many occasions, keeping me awake at night and causing me some considerable distress due to lack of sleep and anxiousness due to the noise. The area around the club is quite residential, and the opening of the club has greatly affected the nature of the area, much more noise and nuisance from customers of the club. We already have enough noise from the Revolution night club in the area, and the opening of Sophy has made this much worse. It seems Sophie can remain open until 5am which means there simply is no relief from the noise throughout the night. I am happy that Sophie have opened and are contributing to the café-bar amenities in the area, but the late night noise is intolerable. I finally have had to have expensive sound proof secondary glazing fitted to my bedroom window to reduce the noise, though the noise means I cannot have the window open in warm weather so feel like I'm living in a bunker hiding from the noise. I hope the issue can be resolved so that there is no disturbing noise from Sophie night club.

My best wishes,

Application No. (If known):

Please tick one or more of the licensing objectives that your representation relates to:
 Prevention of Public Nuisance

Please summarise your concerns about this application: Sophy is located behind my flat and the noise levels have been disrupting my sleep and therefore day to day life consistently since I moved here in September. It is open 5 nights a week (sometimes more) and the noise usually disturbs me anywhere between 9pm-6am on a regular basis.

Please give further details of WHY you believe this application will have an adverse effect on the licensing objectives : The noise levels coming from Sophy are obscene. Not only the volume of the music and shouting, but even more so the levels of heavy bass that vibrate through my flat when I am trying to sleep. This continually stops me from sleeping or wakes me up multiple times during the night between 9pm-6am and it frequently keeps me awake between 1am-5am from Tuesday-Saturday. They will also then empty bottle bins which is extremely loud and occurs right outside my window. This is negatively impacting my physical and mental health and impacting my day to day life as I am a full time dance student and fitness instructor, therefore need to be getting sufficient sleep in order to carry out 6-8 hours of physical activity during the day. It has also been negatively impacting my ability to perform well at work and university and so then effecting my mental health and wellbeing.

Are there any changes that could be made to the application that would reduce or remove your concerns?: Yes

Please explain what changes you think would help:Soundproofing
Reduced opening hours
Only allowed to empty bottle bins after 8am and before 10pm
Volume levels assessed and limit set in place

If appropriate, would you be willing to take part in mediation to try to reach an agreed outcome?: No
