Appendix 1

Highways Update and Upcoming Works

Highways Maintenance Works

We continue to inspect the footways and carriageways around the ward and in the last 12 months have found actionable defects as follows:

- Carriageway - 391 orders
- Footway - 208 orders

Works to install bollards on London Rd, outside the Islamic Academy has been programmed in. The bollards are planned to be installed next week, in the school holidays.

Road Safety Schemes

We have a proposed 20mph zone for the Brinsmead Road area which has been delayed slightly, but surveys have been arranged and are due to be completed within the next few weeks. After this we will move to the consultation phase. Should consultation go smoothly and resource allow, we will aim to complete this financial year.

School Streets

Road closure Knighton Drive/Knighton Rd – we are working on plans to make the temporary closure feature, which will include planting. We will consult with residents as soon as we have a design to share with them.

We continue to promote park and stride for the Overdale schools (Infant and Junior) – parking available in the Knighton Park car park. We will also soon be putting up posters around the school to encourage considerate parking.

Our Parking Enforcement team continues to visit schools in the ward, at drop off and pick up times to enforce parking restrictions. Latest visits are:

- Leicester Islamic Academy 30/04/24
- Sir Jonathan North 22/04/24
- Lancaster Academy 26/02/24

Other schemes

We continue to encourage all residents of Leicester to choose sustainable forms of travel and currently have a £300 grant available for projects, rides, publicity, training or other events which help get more people on their bikes. Further information can be found at:

[£300 cycle challenge \(leicester.gov.uk\)](https://www.leicester.gov.uk/£300-cycle-challenge)

Confidence Boosting Rides also take place monthly, with the next one taking place in June (poster attached)
