Social Media - The Council is committed to transparency and supports efforts to record and share reports of proceedings of public meetings through a variety of means, including social media. If you wish to film proceedings at a meeting, please let us know as far in advance as you can so that it can be considered by the Chair of the meeting who has the responsibility to ensure that the key principles set out below are adhered to at the meeting.

Key Principles. In recording or reporting on proceedings you are asked:

- ✓ to respect the right of others to view and hear debates without interruption;
