Appendix 1 – City Warden Update

Dog fouling

I have received a complaint of dog fouling along Cheltenham Road. I will arrange for dog fouling signs to be put up and I will patrol this location when I am in the ward. If anyone is seen to be not picking up after their dogs they will be issued with a fixed penalty notice.

If there are concerns anywhere else, please report this via love clean streets app or via www.leicester.gov.uk/lovecleansrtreets.

Untidy land/gardens

I have received several complaints regarding untidy gardens in the ward. Notices have been issued and have been mostly compliant. Where non-compliant further enforcement action is taken. I am currently dealing with a property on Halifax Drive, this is currently on-going, some improvements have been made but further improvements are needed. If this continues then court action may be taken against the property owner for noncompliance.

If you have any concerns regarding an untidy garden or piece of land, please report this via the love clean streets app or via www.leicester.gov.uk/lovecleanstreets

Abandoned shopping trolleys.

I have reported several abandoned shopping trolleys that have been left around the ward via the trolley wise app. Residents can also report abandoned trolleys that they come across in the ward to trolley wise via the app.

Fly posting

A company have been issued with multiple fixed penalty notices for illegal advertisements on street furniture along Abbey park Road and St Margaret's way.

Fly tipping

Fly tips are being investigated in the ward on a regular basis. A substantial amount of fly tips that are being investigated are consisting of bulky items which include sofas, fridges, mattresses, and other household items that could've been booked in via the free bulky waste service, all information regarding this service can be found via www.leicester.gov.uk/lovecleanstreets.

A court file has been prepared after a landlord has failed to produce documents to show how they dispose of the waste from their rental property after a fly tip was found on Holderness Road.

If residents do witness fly tipping, this can be reported to us along with any other issues via www.leicester.gov.uk/lovecleanstreets or via love Leicester.

Patch Walk

If residents would like a patch walk to discuss environmental concerns in the area, please contact me via city.warden@leicester.gov.uk and this can be arranged with myself and the Cllrs.
