**8. QUESTIONS, REPRESENTATIONS AND  
STATEMENTS OF CASE**

Dr Patel asks:

Having a look at the new parking signs around the city I have noticed that the 'Monday-Sat' or 'Monday -Fri' are missing. I am assuming this now means that street parking fees now apply 7 days a week. This was not included in the executive decision report in March 2025. Can the responsible person/City Mayor please address the following questions;

1. Why was this change not clearly stated or highlighted in the relevant Executive Decision report?
2. Do parking charges still apply on bank holidays?
3. Can the signs be changed back so there are no parking charges on Sunday?

Dr Spowage asks:

Why are there no automatic bollards on the Granby Street Pedestrian and Cycle Zone that is between Northampton Street and St Georges Way?

The bollards are on the plans that were presented to this committee on 13th October 2021 (available in the public reports pack, p.107) and are a part of the tender, and therefore money will have been allocated for them.

The Leicester and Leicestershire Enterprise Partnership delivery plan for 2022/2023, published on 7th December 2022, notes that the Granby Street scheme is now complete (p.8).

The Leicester and Leicestershire Enterprise Partnership Annual Update, published on 7th December 2022, talks of the Granby Street regeneration project as if it were complete (p.4).

However, the automatic bollards have not been installed and I cannot find any public reference to their omission. I have highlighted this issue multiple times on the Love Leicester portal but there has been no tangible improvement. In fact, the situation has been getting worse. This Pedestrian and Cycle Zone is used as a cruising strip by motorists. I have observed and documented up to seventeen vehicles at a time illegally parked and illegally driving along this section of Granby Street. This happens every day, at all times of the day and night. The Civil Enforcement Officers are overwhelmed. There are often so many motor vehicles that the whole street becomes blocked; usually by large SUVs, taxis and luxury track cars. As a cyclist, I have suffered three near misses with motorists on this section of Granby Street, and have witnessed a number of close calls between other cyclists and motorists, and between pedestrians and motorists. It is an incredibly unsafe and unpleasant place for pedestrians and cyclists.

Directors will give a presentation providing an overview of the Economic Development, Transport and Climate Emergency Scrutiny Commission.

## **12. 25/26 BUS SERVICE IMPROVEMENT PLAN GRANT [Appendix E](#)**

The City Transport Director Submits a report to provide details of the Department for Transport 25/26 Bus Service Improvement Plan (BSIP) and Bus Service Operators Grant (BSOG) to members of the commission and to outline the intended approach for the deployment of funds related to BSIP and BSOG.
