The minutes of the previous meetings held on 8 January 2025 and 29 January 2025 were recorded as a true and accurate record.

25. APPLICATION FOR A NEW PREMISES LICENCE - TANDEL RESTAURANT & BAR, BASEMENT, PICCADILLY CINEMA, GREEN LANE ROAD, LEICESTER

Councillor Pickering, as Chair led on instructions and outlined the procedure the hearing would follow.

The Director of Neighbourhood and Environmental Services submitted a report on an application for a new premises licence for Tandel Restaurant & Bar,

Basement, Piccadilly Cinema, Green Lane Road, Leicester.

The applicant Nahal Mahis and his representative Anil Bhawsar, Greenhill Licence, were in attendance. Also in attendance were Elizabeth Arculus, Licensing Enforcement team, Alistair Hollis, Noise and Pollution team, and PC Jefferson Pritchard, Leicestershire Police. Also present was the Service Manager (Regulatory Services) and the Legal Adviser to the Sub-Committee.

The Service Manager (Regulatory Services) presented the report and outlined details of the application.

A notice was received on 31 January 2025 from Fire & Rescue Service. They would like to bring to attention that the responsible person must ensure that a suitable and efficient Fire risk assessment was carried out for the premises, must be recorded and made available for inspection by Fire Authority. The Fire & Rescue Service also added that the premises had escape in one direction only upstairs to a final fire exit/entrance and therefore the premises was limited to 60 persons in number, including staff.

A notice was received on 12 February 2025 from Planning Enforcement. They were emphasising that the premises has restriction for hours of use – the use shall not be carried on outside the hours 07:30-23:00. Planning Enforcement also provided a planning permission for the premises.

A representation was received on 19 February 2025 from the Licensing Enforcement team. The representation related to all four licensing objectives. The Licensing Authority did have concerns about the premises and the effects it might have on the local community, both business and residential. This related to the location of the CCTV cameras, the control of the age range of the persons attending and also the detail of the operating schedule that had been applied for. The operating schedule did lay out some of the intentions of the applicant, however it was loose in specifically how they would uphold the licensing objectives. The Licensing Authority reached an Agreement with the applicant.

A representation was received on 20 February 2025 from Leicestershire Police. The representation related to prevention of crime and disorder, public safety and prevention of public notice. The operating schedule stated the premises was under refurbishment and was a “proposed” restaurant and bar. However, the premises could equally be a stand up, alcohol led bar which would result in increased risks to the operator and members of the public. The neighbourhood police team also raised concerns about the application, given incidents of crime and disorder in proximity to the premises. The neighbourhood team believed that another premises would add to existing alcohol related problems in the area. Overall, the business intended to operate in the night-time economy, when alcohol related violent crime increased. The application made no reference to the use of Security Industry Authority (SIA) door supervisors and alcohol was likely to be the primary licensable activity after 10pm.

A representation was received on 26 February 2025 from the Noise Team. The

representation related to prevention of public nuisance. The part of the application that the Noise Team were concerned with was the provision of regulated entertainment including recorded music until 00:00 on Friday and Saturday. There were residential properties in very close proximity to the premises on Green Lane Road as well as adjacent roads. There was another premise of note known as the Glassy Club, which held a licence for recorded music until 02:00 on Fridays and Saturdays. As the basement of the premises was being applied for, this by its nature would have improved sound insulation provided there were no voids or 'holes' where noise from recorded music could escape. Also of concern was the smoking area, where customers convened and had the potential to cause issues with loud voices. The Noise Team reached an Agreement with the applicant.

Mr Bhawsar informed the Sub-Committee that the applicant had reached Agreement with Fire & Rescue Service and Planning Enforcement on the conditions prior to the meeting.

PC Pritchard, Police Constable for Leicestershire Police, was given the opportunity to outline the details of their representation and answered questions from Members and officers.

Mr Hollis, Pollution Control Officer was given the opportunity to outline the details of the Noise Team representation and answer questions from Members. However it was noted that an agreement had been reached between the Noise Team and the Applicant and therefore they had withdrawn their representation.

Ms Arculus, Licensing Officer was given the opportunity to outline the details of their representation and answered questions from Members.

Mr Bhawsar was given the opportunity to address the Sub-Committee and answered questions from the Members and officers.

All parties present were then given the opportunity to sum up their positions and make any final comments.

The Sub-Committee received legal advice from the Legal Adviser to the Sub-Committee in the presence of all those present and were advised of the options available to them in making their decision. The Sub-Committee were also advised of the relevant policy and statutory guidance that needed to be taken into account when making their decision.

In reaching their decision, Members felt they should deliberate in private on the basis that this was in the public interest, and as such outweighed the public interest of their deliberation taking place with the parties represented present, in accordance with the Licensing Act 2003 (Hearings) Regulations 2005.

The Chair announced that the decision and reasons would be announced in writing within five working days. The Chair informed the meeting that the Legal Adviser to the Sub-Committee would be called back to give advice on the wording of the decision.

The Sub-Committee recalled the Legal Adviser to the Sub-Committee to give advice on the wording of the decision.

RESOLVED:

The Sub-Committee's decision is that it is appropriate for the promotion of the licensing objectives to **GRANT** the application to authorise the supply of alcohol for consumption on the premises between 11am and 10.30pm daily, subject to the conditions consistent with the Operating Schedule as amended by and in addition to:

- (i) The conditions consistent with the Licensing Enforcement Representation Agreement.
- (ii) The conditions consistent with the Noise Team Representation Agreement.
- (iii) The following additional conditions:
 - a) The licence holder shall only allow alcohol to be served to persons who are consuming a seated & substantial meal provided by the premises.
 - b) A substantial meal menu shall be available at all times that the premises are licensed for the sale of alcohol.
 - c) The licence holder shall not allow any alcohol to be taken off the premises.
 - d) An additional fire extinguisher shall be positioned within the seating area.
 - e) A maximum capacity of 60 people including staff.

REASONS

In considering the application by Nahal Mahis for a Premises Licence authorising the sale of alcohol at Tandel Restaurant and Bar, Leicester, the Sub-Committee has considered the Licensing Officer's Report and all the relevant representations, both written and oral. The Sub-Committee has taken account of all relevant legislation, the Statutory Guidance, the Regulators' Code, and the Council's Licensing Policy. The Sub-Committee has had regard in its deliberations to the steps appropriate to promote the licensing objectives in the overall interest of the local community and has decided the matter on its merits on the evidence presented to it. The Sub-Committee has had regard to the public sector equality duty detailed in section 149 the Equality Act 2010 and has taken a risk-based approach to its decision which has been made on the balance of probability. The Sub-Committee has, as it is required to do, limited its deliberation to the promotion of the licensing objectives (with each licensing objective being of equal importance) and nothing outside of those parameters.

The premises are situated in the basement of the Piccadilly cinema, based at 40 Green Lane Road in Leicester. A staircase to the side of the cinema building leads into the premises with a separate door for access into the premises. Located near the premises are a mixture of commercial buildings, residential properties and several other premises which are licensed for the sale of alcohol

both on and off the premises.

The Sub-Committee noted that no representations had been received from residents or local businesses.

The Sub-Committee heard from the applicant and his agent, including representations from the Noise team; Licensing enforcement and the police. A representation was received from Leicestershire Fire and Rescue which raised the requirement for a fire risk assessment and a maximum capacity to be placed upon the premises. They have been covered by the conditions upon which the licence has been granted.

The original application was for the sale of alcohol on the premises between Sunday to Thursday from 11am to 11pm, and Friday to Saturday 11am to 12am. The same times were applied for to play recorded music indoors. The application was also for late night refreshment for both on and off the premises on Fridays and Saturdays between 11pm and 12am.

The premises is subject to Planning Permission conditions which restricts operating hours from 0730 to 2300 daily. The applicant was not aware of the condition at the time of submitting the application. It was agreed and confirmed by the applicant that the proposed hours would be amended to comply with the operating condition.

When the applicant agreed to the amended hours, they withdrew the application for supplying late night refreshments, and no licence is therefore required for the playing of recorded music as it is classed as de-regulated. Therefore, the only matter before the committee was the application for the sale of alcohol. The committee granted the hours asked for on the day. The Noise team and Licensing enforcement originally opposed the application, (based on all four of the licensing objectives) however, conditions recommended by both authorities prior to the Sub-Committee hearing had been agreed by the applicant. As such, they no longer opposed the application.

The police initially opposed to the application on the grounds of public safety, prevention of crime and disorder and the prevention of public nuisance. Concerns were raised that there was likely to be an increase in late night violence with the addition of another licensed premises in a densely populated area where offences had been committed in the recent months. The police also expressed concerns that the premises could operate as a 'stand-alone' bar and not primarily a restaurant. The police suggested that to reduce the risk, the sale of alcohol should only be served until at 2230.

The applicant agreed to sales of alcohol only if a substantial meal was ordered, and therefore operating as a restaurant instead of a bar, also for the decrease in hours of supplying alcohol.

As the applicant and his agent agreed to amend the hours for the sale of alcohol and for the condition requiring a substantial meal, the police were therefore agreed the amended application as requested.

The applicant produced a list of people's names and their details as being supportive of the application, including photos of the immediate area to the premises. The Sub-Committee heard about the applicant's history in the catering industry and his proposals for the premises/business.

In connection with the police's original concern that the premises should not become a stand-up bar, the sub - committee anticipates the licensing team and police, where appropriate, will undertake checks to ensure compliance with the conditions of the license.

The Sub-Committee noted that the plan of the premises and the application did not specify the location of the smoking area. The Sub-Committee hopes the applicant would address the issue of the smoking area so there are no problems in the future, as public nuisance might become a real concern otherwise.

The Sub-Committee believes the conditions subject to which the Licence is granted deal with the representations which have been made. The conditions are appropriate for the promotion of the licensing objectives and they are proportionate.

Any appeal against the decision must be made within 21 days to the Magistrates Court.

**9. APPLICATION FOR A VARIATION OF AN EXISTING PREMISES LICENCE -
ALINO, 11 NARBOROUGH ROAD, LE3 0LE**

Councillor Pickering, as Chair led on introductions and outlined the procedure the hearing would follow.

The Director of Neighbourhood and Environmental Services submitted a report on an application for a variation to an existing premises licence for Alino, 11 Narborough Road, LE3 0LE.

The applicant Mr Jean Alain Kakmeni was in attendance. Also in attendance were Elizabeth Arculus, Licensing Enforcement team, Gary Geldard, Noise and Pollution team, and PC Jefferson Pritchard, Leicestershire Police. Also present were the Service Manager (Regulatory Services) and the Legal Adviser to the Sub-Committee.

The Service Manager (Regulatory Services) presented the report and outlined details of the application.

A representation was received on 3 April 2025 from the Police. The representation related to the prevention of crime and disorder, the prevention of public nuisance, public safety and the protection of children from harm. The representee was concerned that revellers already under the influence of alcohol would attend the venue in the early hours of the morning to source more alcohol in an area that already faced challenges in relation to crime and disorder and anti-social behaviour.

A second representation was received on 9 April 2025 from the Noise team. The representation related to the prevention of public nuisance. The representee was concerned that allowing the premises to operate such long hours would increase the likelihood of noise complaints and cause disturbance to residents by customers visiting the premises throughout the night and particularly into the early hours of the morning. The Noise team reached agreement with the applicant to add conditions to the licence if granted.

A third representation was received on 15 April 2025 from the Licensing Enforcement team. The representation related to the prevention of crime and disorder, the prevention of public nuisance and public safety. The representee had concerns about the premises and the effects the extended hours may have on the local community, both business and residential. Conditions were proposed to be added to the licence, if granted.

PC Pritchard, Police Constable for Leicestershire Police, was given the opportunity to outline the details of their representation and answered questions from Members.

Mr Geldard, Pollution Control Officer, was given the opportunity to outline the details of the Noise Team representation and answer questions from Members and the applicant.

Ms Arculus, Licensing Officer was given the opportunity to outline the details of their representation and answered questions from Members.

Mr Kakmeni was given the opportunity to address the Sub-Committee and answered questions from the Members and officers. He submitted additional photos regarding the renovation of the premises and the display of the Challenge 25 and quiet notices to the Sub-Committee in the meeting. The late submission was agreed by all parties, and the photos were examined by the Sub-Committee.

All parties present were then given the opportunity to sum up their positions and make any final comments.

The Sub-Committee received legal advice from the Legal Adviser to the Sub-Committee in the presence of all those present and were advised of the options available to them in making their decision. The Sub-Committee were also advised of the relevant policy and statutory guidance that needed to be taken into account when making their decision.

In reaching their decision, Members felt they should deliberate in private on the basis that this was in the public interest, and as such outweighed the public interest of their deliberation taking place with the parties represented present, in accordance with the Licensing Act 2003 (Hearings) Regulations 2005.

The Chair announced that the decision and reasons would be announced in writing within five working days. The Chair informed the meeting that the Legal Adviser to the Sub-Committee would be called back to give advice on the wording of the decision.

The Sub-Committee recalled the Legal Adviser to the Sub-Committee to give advice on the wording of the decision.

RESOLVED:

The Sub-Committee's decision is that it is appropriate for the promotion of the licensing objectives to **REFUSE** the application.

REASONS

The Sub-Committee decided to refuse to grant the application for the variation sought as to do so would not uphold the Licensing Objectives due to:

- The Sub-Committee having no confidence in the applicant's ability to manage the premises and comply with the conditions on the Premises Licence.
- The applicant's willingness to breach the conditions of the Premises Licence and allow unlicensed activities to take place on the premises.
- The applicant's failure to follow advice from Responsible Authorities.
- The applicant's failure to address in his application the specific factors required for a Special Interest area.

The Sub-Committee has no confidence in the applicant's ability to manage the extended hours sought or the extension of licensable activities sought to be added or extended. This is because the applicant admitted to Committee that he struggled to manage 60/70 people at closing time. If the variation was granted, the inability to manage would be compounded as customers drinking until 3am would prove even more challenging for the applicant.

The Committee were also concerned about the applicant's ability to uphold the Licensing Objectives due to his failure to comply with licence conditions and to this end it accepted representations made by Leicestershire police and Licensing Enforcement. The Committee were particularly concerned when the applicant admitted to allowing a birthday event to take place despite a Temporary Event Notice not being accepted due to lateness. This was a serious breach of the Licensing conditions and called into question the applicant's credibility and his ability to uphold the Licensing Objectives.

The Committee were also concerned by the applicant's failure to apply for a variation following refurbishment works carried out at the premises which were

not covered under the current licence.

The Sub-Committee also accepted that the Licensing Objective relating to the Prevention of Crime and Disorder was engaged due to the 11 incidents occurring at the premises and due to the applicant's previous conviction and concluded that granting the variation would undermine the objective.

The Sub-Committee was concerned that the applicant had submitted a written application which the police had correctly referred to as vague. In detailing Narborough Road as one of Special Interest in its Statement of Licensing Policy 2022–2027, the Council lists relevant environmental factors which an applicant should have in mind for consultation with the appropriate responsible authorities. These are: Number of existing licensed premises; Types of licensed premises; Density and locality of residential premises; Traffic or pedestrianised areas; Alcohol related Public Health concerns; Areas of alcohol related crime and disorder; Anti-social behaviour including community protection & Noise pollution. The applicant failed to address these issues in the written application or at the hearing.

It is clear that all of the licensing objectives are engaged and the grant of the application would undermine the promotion of those objectives.

Any appeal against the decision must be made within 21 days to the Magistrates Court.

3. Application and promotion of the licensing objectives

- 3.1 An application was received on 20 May 2025 for a variation of an existing premises licence for Moonshine, 91 High Street, Leicester. The licence holder would like to add the outside area of the premises to the existing licence. A copy of the application is attached at Appendix A.

3.7 Location Plan

4. Representations

4.1 A representation was received on 10 June 2025 from a member of the public. The representation relates to the prevention of crime and disorder, the prevention of public nuisance, public safety and the protection of children from harm. The representee is concerned that allowing the outside area a licence until midnight seven days a week will disrupt the residents who live within the vicinity. They are also concerned that there may be an increase in people who are drunk and using drugs. A copy of the representation is attached at Appendix C1.

5. Conditions

5.1 The conditions that are consistent with the application are attached at Appendix D.

- 5.2 The Live Music Act 2012 and the Legislative Reform (Entertainment Licensing) Order 2014 amended the Licensing Act 2003 in relation to the provision of regulated entertainment. Certain entertainment does not require a licence subject to audience limits, between 08.00 and 23.00 hours each day. These exemptions may affect the application under consideration because conditions may not be imposed at this stage to control live or recorded music that is unregulated. However, if problems do occur as a result of that entertainment then conditions may be imposed to control such music in the future after a formal review.

6. Statutory guidance and statement of licensing policy

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.

Application No. (If known):

Please tick one or more of the licensing objectives that your representation relates to: Prevention of Crime and Disorder, Public Safety, Prevention of Public Nuisance, Protection of Children From Harm

Please summarise your concerns about this application: There is residential apartments where children, adults and elderly live. Allowing 12 midday to 12 midnight 7 days a week is shocking. We already have The tree who play loud music twice a year and creates drunk and drugged up people in the area on the nights . We are all disrupted with our night on these occasions. We have to sleep in order to wake up in the morning to earn a living. There are those who start work at 6am. We have people urinating and swearing throughout the night also. Giving this licence will just make it

even more unsafe and even more a living hell. We are trying to sell our properties due to the state of the violence and alcohol . drug abuse which is getting worse in the city centre. We are living near the food court area and this will bring more issues of unsafety for us residents.

Majority of us are scared to go out of our apartments after a certain time.

When the Tree have their garden parties which was on 7th June 2025. The music was so loud that my apartment doors were shaking with the baseline. They switched off at 12.10am and myself and others didn't settle to sleep until 1am. Where I had to wake up at 4am!

Noise echoes in the area. From someone even talking

Please give further details of WHY you believe this application will have an adverse effect on the licensing objectives : I have seen the problems from when the Tree have these garden parties twice a year. I see more drug abuse and drunken behaviour. Where when the bollards were being replaced, gangs of people were throwing the barricades around at midnight.

I have complained number of times to the noise control and they have monitored the noise by entering my property. It has left me with high anxiety and no sleep and have gotten ill due to this issue and now if this is granted I will have a breakdown.

The sign of this notice was only up last week. We only noticed it yesterday. Giving us no time to respond but today only.

The lady at the Licence office who I called this morning said it was up 28 days ago. And she has proof of this.

I live opposite the property and this sign was only showing end last week. I feel the owner may have taken it down and put back up.

Are there any changes that could be made to the application that would reduce or remove your concerns?: No
