Making Meetings Accessible to All

WHEELCHAIR

Meetings are held in a variety of community venues. We will only hold meetings in venues where there is suitable access for wheelchairs. If you have any concerns about accessing a venue by wheelchair, please contact the Democratic Services Officer on the details provided.

BRAILLE / AUDIO TAPE - CD / TRANSLATION

If you require this agenda or a particular part of it to be translated or provided on audio tape, the Democratic Services Officer can organise this for you (production times will depend on equipment facility availability). In certain cases, subject to the agreement of the local Councillors, translation facilities can be provided at the meeting.

INDUCTION LOOPS - HEARING AT MEETINGS

We provide a loop system at every meeting for people with hearing aids. If you have a hearing aid, please speak to the Democratic Services Officer at the meeting for further assistance if you think you won't be able to hear what's being discussed. There is also a facility which can help people hear better if you don't have a hearing aid but are hard of hearing, again please speak to the Democratic Services Officer about this.

The first part of the agenda covers formal items, which the Councillors need to deal with to ensure that regulations on holding meetings are kept to.

1. ELECTION OF CHAIR

Councillors will elect a Chair for the meeting.

2. APOLOGIES FOR ABSENCE

3. DECLARATIONS OF INTEREST

The first main item on the agenda is Declarations of Interest where Councillors have to say if there is anything on the agenda they have a personal interest in. For example if a meeting was due to discuss a budget application put forward by a community group and one of the Councillors was a member of that group, they would not be able to take part in the decision on that budget application.

Councillors are asked to declare any interest they may have in the business on the agenda, and/or indicate that Section 106 of the Local Government Finance Act 1992 applies to them.

4. MINUTES OF PREVIOUS MEETING

The minutes of the previous Knighton Community Meeting, held on 15 February 2010 have been circulated and Members are asked to confirm them as a correct record.

This next part of the agenda covers items where input from you on issues that affect your community is welcomed.

5. HIGHWAYS AND TRANSPORT

An Officer from the City Council's Highways and Transport section will be present to feedback on Highways and Transportation issues that have been previously raised at the Community Meeting.

6. ENVIRONMENTAL SERVICES

The new City Warden for the Knighton Ward will be introduced and information will be given on some of the duties carried out by the City Warden. There will also be an opportunity to identify priority issues for the City Warden to be working on. Information will also be given on the 'ONE CLEAN LEICESTER' initiative and the new Graffiti Removal Program.

7. BUDGET Appendix A

Councillors are reminded that they will need to declare any interest they may have in budget applications, and/or indicate that Section 106 of the Local Government Finance Act 1992 applies to them.

Steve Letten, Members Support Officer will give an update on the Knighton Community Meeting Budget.

The following budget applications have been received:

- 27 September 2010
- 29 November 2010
- 14 March 2011

Venues will be confirmed in due course.

Section 1: Budget Proposal

-4 MAY 2010

1. Name of Ward

Knighton Ward

RECEIVED MEMBERS' SUPPORT

2. Title of proposal

Installation of Replacement Windows

3. Name of group or person making the proposal

Kay Newland/9th Leicester Scout Group.

4. Short description of proposal. Please include information on how the money will be spent, who will benefit, when they will benefit, and how we will know when the proposal has been successful.

It is important that your answer to this question is clear, because we will only pay the costs when we can see evidence that the outcomes you describe here have been achieved. You can provide further details in your supporting information if you want to.

The 9th Leicester Scout Group is continuing to update its 1930's brick built building on Stoughton Road, Leicester. In recent years we have put in new heating, updated the kitchen, repaired the entrance hall roof and are installing disable friendly toilets.

We now wish to replace the existing windows, external doors & fire door, which are part of the original build. We want to keep the Regency look of the building, but also help make our meeting place a more environmentally friendly place, lower our carbon footprint and help to keep our gas bills down. Our premises are used by our Beaver Colony, Cub Scout Pack, Scout Troop and the District Explorer Scout Unit on a weekly basis. We also hold rummage sales, fetes, Group & District AGM's, Gang Shows and many other scouting activities.

Leicester City Council also use our building at election time as a polling station and for Ward meetings, the local Community Police regularly hold their neighbourhood meetings and we are currently arranging for the local Muslim

Community to use the hall for their prayer meetings during Ramadan. We hope to be able to make the facilities of our building available to a wider population of the community in the future. The area does not have another hall for renting in the area - the nearest facilities being Church premises, which are usually fully booked with their own activities. The building is not used during the day very much and we feel that there must be groups wishing to meet if there was somewhere for them to get together in. Should we manage to update our building to a more environmentally friendly & socially welcoming facility we would then be able to advertise our premises and thus help, not only our Scout Group, the District Scout Team, but also the local community. Leicester City Council employees and councillors will also benefit from the installation of new windows at elections and Ward Meetings! The success of this proposal will be evident in several ways. The look of the building will be greatly smartened up, which we see as very important in a conservation area; reduction in our utility bills; greater use of the building by the local community and enhanced safety and security.

When we are better informed as to what funding we can have from our two funding bodies, then we will make further bids to other grant bodies.

Last year members of the South Knighton Community group started to set up a virtual orchard as we know many members of the community have fruit trees in their gardens and often the fruit goes to waste. This was one of the suggestions following an evening we had held on the environment for members of the community. We bought two shares in the Leicester Transition Apple Press and used apples donated by members of the community to produce apple juice for them.

This year we would like to extend this to running a Community Crop Swop which would include:

- using community members' surplus apples and pears to produce juice
- swapping recipes which use the local produce

All members of the community will be invited to the Crop Swap which will take place on a Saturday in September at the Memorial Hall on Holbrook Road

We would want this to become an annual event. The request for this funding is to get the project established.

Pendlebury Drive F	Residents Association	

4. Short description of proposal. Please include information on how the money will be spent, who will benefit, when they will benefit, and how we will know when the proposal has been successful.

It is important that your answer to this question is clear, because we will only pay the costs when we can see evidence that the outcomes you describe here have been achieved. You can provide further details in your supporting information if you want to.

Pendlebury Drive Residents Association are looking to fund 2 x 3 hr sessions run by Streetvibe bus (a non profit organisation) for youths on the estate and the surrounding area. Two sessions were previously held in the christmas holiday and these were well attended. The sessions will run when we can confirm funding as the Association does not have the required funding, hopefully late summer/ Oct half term. As so many youths came from the surrounding area, it is providing a service that is needed and supporting community cohesion. It is hoped that more young people will get actively involved in the area with this participation with Streetvibe.
