Making Meetings Accessible to All

WHEELCHAIR

Meetings are held in a variety of community venues. We will only hold meetings in venues where there is suitable access for wheelchairs. If you have any concerns about accessing a venue by wheelchair, please contact the Democratic Services Officer on the details provided.

BRAILLE / AUDIO TAPE – CD / TRANSLATION

If you require this agenda or a particular part of it to be translated or provided on audio tape, the Democratic Services Officer can organise this for you (production times will depend on equipment facility availability). In certain cases, subject to the agreement of the local Councillors, translation facilities can be provided at the meeting.

INDUCTION LOOPS – HEARING AT MEETINGS

We provide a loop system at every meeting for people with hearing aids. If you have a hearing aid, please speak to the Democratic Services Officer at the meeting for further assistance if you think you won't be able to hear what's being discussed. There is also a facility which can help people hear better if you don't have a hearing aid but are hard of hearing, again please speak to the Democratic Services Officer about this.

INFORMATION FAIR

PLEASE SEE BELOW FOR DETAILS OF SERVICE REPRESENTATIVES YOU CAN TALK TO AT THIS MEETING

You can raise matters of concern, give opinions and find out information
which may be of use

Ward Councillors and General Information	Police Issues
City Wardens Service	Community safety - the police
The Curve Theatre	The Phoenix Centre
Football Foundation	

The first part of the agenda covers formal items which the Councillors need to deal with to ensure that regulations on holding meetings are kept to.

1. ELECTION OF CHAIR

Councillors will elect a Chair for the meeting.

2. APOLOGIES FOR ABSENCE

3. DECLARATIONS OF INTEREST

The first main item on the agenda is Declarations of Interest where Councillors have to say if there is anything on the agenda they have a personal interest in. For example if a meeting was due to discuss a budget application put forward by a community group and one of the Councillors was a member of that group, they would not be able to take part in the decision on that budget application.

Councillors are asked to declare any interest they may have in the business on the agenda, and/or indicate that Section 106 of the Local Government Finance Act 1992 applies to them.

4. MINUTES OF PREVIOUS MEETING

[Appendix A](#)

The minutes of the previous Rushey Mead Community Meeting, held on 7 September 2010, are attached and Members are asked to confirm them as a correct record.

This next part of the agenda covers items where input from you on issues that affect your community is welcomed.

5. PROPOSED PLAY PROVISION IN THE HUGGETS CLOSE AREA

Members of the public will have the opportunity to discuss the proposed play provision in the Huggets Close area.

6. FUTURE GOVERNANCE FOR LEICESTER

The Ward Councillors will explain proposals for the future governance of Leicester.

7. IMPLICATIONS FOR LEICESTER OF THE PUBLIC SPENDING REVIEW

The Ward Councillors will give an update on the public spending review.

8. CITY WARDENS UPDATE

The City Wardens will give an update on the work of the City Wardens in the Rushey Mead Ward.

9. LOCAL POLICING AND COMMUNITY SAFETY ISSUES

An officer from Leicestershire Constabulary will give an update on their priorities and actions in the Rushey Mead Ward.

10. COMMUNITY MEETING BUDGET

[Appendix B](#)

Councillors are reminded that they will need to declare any interest they may have in budget applications, and/or indicate that Section 106 of the Local Government Finance Act 1992 applies to them.

Steve Letten, Member Support Officer will present an update on the current spend on community meeting budgets and introduce applications that have been received.

Below is a summary of the applications submitted:

RUSHEY MEAD LIBRARY

£500

The proposal is for financial assistance towards 10 Bhangra exercise step sessions. The £500 would cover the cost of the tutor and the hire of the hall.

CITY OF LEICESTER LADY HOOPS BASKETBALL CLUB
£543

The proposal is for financial assistance for girl's basketballs sessions at Soar Valley College. Their target audience is BME young women who are under-represented in the game. The £543 would go towards the cost of court hire.

11. ANY OTHER BUSINESS

Help us to make improvements!

Please help us to improve Community Meetings by filling in an **Evaluation sheet** to let us know what you thought of the meeting. Thank you.

INFORMATION SHARING – ‘INFORMATION FAIR’ SESSION

The following information stands were sited in the room. Members of the public visited the stands and were given an opportunity to meet Councillors, Council staff and service representatives.

Ward Councillors and General Information Talk to your local councillors or raise general queries	Police Issues Talk to your Local Police about issues or raise general queries.
Woodbridge Centre	Highfields Rangers
City Wardens	One-Pass

At the conclusion of this informal session members of the public were invited to take their seats and take part in the formal session of the meeting.

12. ELECTION OF CHAIR

As previously agreed Councillor Bhatti chaired the meeting.

13. APOLOGIES FOR ABSENCE

Apologies were received from Councillor Willmott and Satish Sedani (Resident).

14. DECLARATIONS OF INTEREST

There were no declarations of interest made at this time.

15. MINUTES OF PREVIOUS MEETING

RESOLVED:

that the minutes of the meeting of Rushey Mead Community Meeting held on 29th June 2010, as previously circulated, were agreed as a correct record.

16. THE PAST AND FUTURE OF HIGHFIELD RANGERS

Reg Francis, Treasurer of Highfields Rangers outlined the history of the group, from its inception to the present day.

It was stated that Saturday mornings were regarded as 'open' at the project and gave an opportunity for local youths, even without skills, to go and play football. Senior Citizens activities were also available. Highfields Rangers also regularly undertook fund raising events, the most recent being for the Pakistan Floods Victims.

Paul Campbell, who was part way through studying for a Phd at De Montfort University, was working with Highfields Rangers to study it's role in the local and wider community and also charting the history of the club from 1970 to the present day. The club was important for the Black Minority and Ethnic community as well as the local community. Support for the club had been pledged by the East Midlands Universities Association, Leicester University and De Montfort University.

Reg Francis stated that regularly young people came to Highfields Rangers who were not able to afford to buy football kit but every endeavour was made to help them.

Regarding the future, volunteers were sought to help in various capacities and also help was sought to re-furbish the now 30 year old premises. The aim was to establish partnerships with local organisations.

Following the presentation questions were asked from the public present: -

- i) A member of the public expressed serious concerns regarding night time usage of the Highfields Rangers premises, with music being broadcast often until 3 in the morning.

Reg stated that they had a noise limiter fitted at the club premises but it was realised that a false ceiling was required to help capture noise. Permission was in place to play music until 2 am. The club were aware of the noise problems and were anxious to raise sufficient funding to seal noise more effectively inside the building.

- ii) A member of the public questioned what restrictions to membership were in place by Highfields Rangers.

Reg responded by stating that an open policy was in place whereby young players were encouraged to come along. Local advertising encouraged young players and all races had in fact been encouraged since the inception of Highfields rangers in the 1970's.

- iii) A member of the public questioned whether Highfields Rangers had links with other local clubs, such as the club based at Gipsy Lane.

Reg stated that that this was the case and Highfields rangers had in fact shared resources with the club referred to.

RESOLVED:

that the information be noted.

17. EXTENDED SCHOOLS PROGRAMME

Julie Chapaneri, Extended Schools Co-ordinator attended the meeting and gave a brief presentation on the extended schools programme and of projects that had been funded.

Julie stated that any funding bids received were considered by a Steering Group once per school term to determine which would be funded. Details of the scheme were available from Julie, although the bidding forms were currently being revised and would be sent out by the end of September.

Julie was thanked for her presentation.

18. WOODBRIDGE CENTRE

Gwenda Brown, Integrated Services Neighbourhood Manager attended the meeting and gave an update on the Childrens Centres in the area and of the facilities and activities available. Gwenda stated that there were 3 Centres in this area, Woodbridge, Belgrave and St. Matthews. Woodbridge was the newest of the 3 Centres and it was responsible for undertaking outreach work in the Rushey Mead neighbourhood. The Centre had worked with 0-5 year olds initially but this had now been extended to 12 yr olds, and would later be extended further to 19 yr olds.

A member of the public questioned whether the Centres linked with the work of local community groups. Gwenda stated that the Centres were working with several local schools and also local sports clubs that offered activities for young people, but within their respective catchment areas.

Gwenda was thanked for her presentation.

19. CITY WARDEN UPDATE

The City Warden for Rushey Mead Ward was present and stated that any problems relating to dog fouling, litter, graffiti, abandoned vehicles etc. could be referred to him to be dealt with. He stated that he was always carrying frequent foot patrols around the area.

A member of the public stated that recently there had been a lot of litter on the nearby park that had been reported and had been cleared in a few days, but it was questioned what would happen if the problem recurred.

PC Martin Sneath stated that Leicestershire Police were running Anti-Social Behaviour courses and if they were made aware of the culprits who were responsible for dropping the litter they could be apprehended and placed on such a course.

A member of the public stated that there was an ongoing problem of rubbish gathering in the car park adjoining Sandfield Primary School, this was seemingly emanating from the local fast food premises. The City Warden stated that the owner of the fast food premises referred to actually cleared the rubbish 3-4 times per year even though most of the rubbish did not originate from his premises.

A member of the public stated that a number of youths gathered daily between 10.00 pm and 5.00 am on the grassed area Between Silverstone Drive and the former Thorn Lighting factory, this area was also subject to large amounts of dog litter. The person concerned was concerned because her house had been burgled recently and sought advice. The City Warden stated that, through the City Council, an assessment of what action could be taken would be made in liaison with the Police.

A member of the public stated that dog fouling was prevalent on the corner of Gleneagles Avenue and that dog bins would be useful. The City Warden stated that, under new legislation, dog mess could if wrapped, be put into any ordinary litter bin. There was therefore no need to re-locate existing dog mess bins.

RESOLVED:

the information be noted.

20. POLICE PRIORITIES

PC Martin Sneath attended the meeting and stated that over the past month crime figures had been lower than expected, as follows: -

- 0 - Robberies
- 0 - Theft of Motor Vehicles

- 6 - Burglaries
- 68 - reported crimes over the past month.

A member of the public stated that a number of youths were gathering in various local alleyways smoking and generally being a nuisance. The Police asked whether they had been contacted to be told that the incidents had been reported a few months previously and no action had been taken, so no further calls had been made. The Police stated that, as part of a new initiative, they responded to such calls as quickly as possible. Calls were graded in order of importance and Grade 1 crimes were given the highest priority.

It was suggested that maybe that CCTV cameras be installed as the area was a magnet for youths. The Police stated that there were cost implications to this suggestion, as well as the fact that CCTV cameras were installed in accordance to priority.

The Police stated that the public generally, should they suspect a person(s) of drugs crimes or thefts then they could record details of clothing worn, vehicle details etc. or even photos, but not whilst at a school or public swimming pool. This sort of information could be passed to the Police and they would then act on it.

In response to a question the Police stated that following the reporting of a crime by the public each job was graded in importance as it was not possible to respond immediately to every crime reported. Grade 1 Crimes were deemed the most important (Robbery with violence for example), and it was understood by the Police that the public were frustrated when an immediate response was often not achieved. All incidents reported were however recorded and this enabled the Police to build up an overall picture of crime across the City.

The Police stated that maybe a Neighbourhood Watch Scheme could be established in the area as this assisted in areas of high crime and, should interest be shown, the Police could offer advice and support in setting this up. The Chair stated that the Community Meeting would be able to assist with funding should this be required.

A member of the public stated that there were ongoing car parking problems on Peebles Way, three times a day during term time when children were being picked up/ dropped off at school. The Chair stated that a junction improvement scheme would be reviewed at Peebles Way.

RESOLVED:

that the information be noted.

21. BUDGET

Jerry Connolly, Members Support Officer, gave an update on the Community Meeting Budget and reported the following applications for funding: -

- i) Leicester Schools Football Association £ 500 (per ward)
Request for funding to provide around 18 male/female coaches with the opportunity to gain their Football FA Level 1 and 2 qualifications , inside a

structured and professional setting. In return the coaches would commit 50 hours of their time to assist the LSFA with coaching work inside schools and the LSFA.

Resolved:

that the application be noted but that schools be approached to provide the necessary funding.

ii) **Junction of Woodbridge Road, Berridge Lane and Fieldhouse Road**

It was reported that an investigation had been carried out into the conditions at this junction and it was apparent that the main cause of concern was the visibility of the junction leading to drivers overshooting the junction. As a suggested remedial measure it was proposed to that a 'Give way' sign with an associated road marking at an estimated cost of **£400**, for which there was no funding available within the Highways Budget. It was suggested therefore that an application be made to the Community Meeting.

Councillors Bhatti and Clair were in support of making **£400** available from the Community Meeting budget, subject to a formal application being made.

Resolved:

that the proposal to fund the provision of a 'Give Way' sign and road marking at this junction, at a cost of £400, **be supported**, subject to a formal application being made.

22. ANY OTHER BUSINESS

i) **Patch Walk**

John Coster, Citizens Eye attended the meeting and stated that he wanted to identify some of the problems in the area, in liaison with the City Wardens, capture the information and try to get something done. John stated that he wanted to encourage local people to join the Patch Walk that had yet to be arranged.

ii) **21 Bus Service**

It was stated that the 21 Bus Service had been curtailed and would no longer serve Peebles Way area which meant that people would be stranded as they would no longer be able to access the shops or the Health Centre. John Coster stated that he would take this issue up and pass it to the Senior Citizens Eye.

iii) **Soar Valley College**

A member of the public stated that the road layout outside Soar valley College was not adequate for the cars that parked there at certain times of the day, leading to safety problems.

23. CLOSE OF MEETING

The Chair declared the meeting closed at 8.28 pm.
