Francis Connolly, the Member Support Officer to the Evington Community Meeting will provide a report on the community meeting budget. The following budget application has been received:

Beacon Site for Tennis: Leicester City Council Sports Regeneration on behalf of Leicester City Tennis Development Group.

Amount requested: £500

The following information has been submitted in support of the funding application:

'The Tennis Foundation have developed a scheme to encourage tennis to be played on local Parks and other Local Authority sites, thus enabling them to apply to become a 'Beacon Site for Tennis'

To become a Beacon Site a park needs to have a comprehensive tennis program running which is both affordable and accessible with elements of free activity for all to access.

Leicester city Tennis Development group in partnership with the Lawn Tennis Association (LTA) are hoping to develop a comprehensive program of tennis activity on 3 City Council Parks, these being – Aylestone Hall Gardens, Knighton Park and Evington Park. The money that we hope to receive from the Local ward meeting will hopefully allow us to start up the sessions, run an open day at each site, offer free taster sessions and produce some marketing material including flyers.

The Leicester city Tennis Development group are a newly formed group in May of this year, the group is chaired by Leicester city Council sports Regeneration Tennis Development Officer and brings together the Local Tennis Clubs, School Sports Partnership, Extended Services, LTA & the County Sports Partnership. The hope is that Creating such a comprehensive program of tennis on the parks

or can't afford to join a club, or just simply want to play in their leisure time to attain one of their 3x30 min of activity per week. Working with the clubs through the development group will allow us to signpost any individuals who show a particular interest in joining a club to their local club'.
