**This objection relates to the following licensing objective(s):**

Prevention of crime and disorder	No
Public Safety	No
Prevention of public nuisance	Yes
Protection of children from harm	No

**Representation**

I wish to make representation in connection with this application for a temporary event notice (TEN) for an extension to a licensable activity as I consider this proposal will be detrimental to the licensing objective of public nuisance.

**REASONS**

The premise is a restaurant situated towards the end of a row of mixed commercial properties and there are a number of residential properties within close proximity opposite and to the side of the premises.

The applicant has applied for a Temporary Event Notice to extend the opening of the premises for the sale of late night refreshment from 23.00 hours until 03.30 hours for 7 consecutive days (27<sup>th</sup> July 2014 till 4<sup>th</sup> July 2014).

The applicant indicates that the intention for the Temporary Event Notice is for the serving of food during the first seven days of Ramadan.

I appreciate that Ramadan is a period of religious fasting during which, followers may eat only between sunset and sunrise. However I am concerned that it will be very difficult to prevent noise from customers using the premises affecting residential properties for the extended period requested even though the request is for the sale of food only. I am also mindful that Ramadan lasts for a period of 30 days (27<sup>th</sup> July 2014) and this request is for the first seven day period of Ramadan.

Noise from customer vehicles, customers arriving, leaving and using the outside of the premises until 03.30 hours daily (especially during the weekdays) will affect numerous residential properties near to and around the premises therefore there is an increased likelihood of sleep disruption and complaint.

I am of the opinion that it will be very difficult for the applicant to implement sufficient control to protect nearby residents and request that this application be refused.

Prevention of public nuisance	Yes
Protection of children from harm	No

## Representation

I wish to make representation in connection with this application for a temporary event notice (TEN) as I consider this proposal will be detrimental to the licensing objective of public nuisance.

There is a flat directly opposite the premises as well as on Berridge Street a short distance away. I am satisfied that if the existing licence conditions relating to the prevention of a noise nuisance are not applied, then it is likely that a noise nuisance will occur.

I recommend that:

The following conditions that are already present on Premises Licence LEIPRM0905 are added to the TEN in the interests of preventing public nuisance from noise emanating from the premises:

1. A noise limiting device shall be installed, fitted and maintained in such a manner as to control all sources of amplified music and voice at the premises. The level shall be set to the agreement of the Noise Control Team to prevent noise nuisance being caused to the public. Once the device is set it should be inaccessible to the licence holder and their staff."
2. The licence holder will ensure that the door leading onto Market Place South is only used as disabled access when there is no regulated entertainment taking place on the premises, so as to prevent noise break out. This door shall also be used as a fire exit in all circumstances".

I will make every effort to contact the applicant. If an agreement is reached, I have requested that they contact you in writing. In the absence of such a formal written request being made, I will recommend refusal for this TEN application as it stands.
