Pre-app

A presentation was made by Josh McCosh (van Heyningen and Haward Architects).

B) WELFORD ROAD, FREEMENS COMMON AND PUTNEY ROAD, NIXON

COURT Planning Applications 20180562 & 20180450

The panel were broadly supportive of the scheme as they considered it would result in benefits to the condition of the listed building and its immediate setting without damage to longer views of other heritage assets. The proposed rear extension to the listed building and new landscaping were supported.

There was some debate regarding the height for the proposed multi-storey carpark and concerns were raised regarding the materials for it and how it would relate to the listed cottages, with questions raised regarding the durability of the metal and whether images submitted captured the likely appearance of the elevational treatment and its visual impact on the listed building from a range of locations. More detail was desired in terms of the treatment in terms of its detailing, pattern, profile and application

They did not object to the scale of the wider development and were keen for it to integrate fully with the wider area. It was noted that the teaching & learning building was well-designed, with good detail and proportions.

SEEK AMENDMENTS

C) FLEET HOUSE, FLEET STREET

Planning Application 20172677 & 20172678

DEMOLITION OF BUILDINGS; CONSTRUCTION OF 10 AND 11 STOREY BUILDING COMPRISING 210 FLATS (74 X 1 BED; 136 X 2 BED) (CLASS C3); ANCILLARY COMMUNAL ANCIALLRY FACILITIES; 238 SQM OF FLEXIBLE SPACE TO BE USED FOR A RANGE OF USES (CLASS A1, A2, A3, A4, A5, B1A); 163 SQM OF LEISURE (GYM) USE (CLASS D2); LANDSCAPING AMENITY SPACE; NEW VEHICLE AND PEDESTRIAN ACCESS & DEMOLITION OF BUILDINGS; CONSTRUCTION OF 8 AND 11 STOREY BUILDING COMPRISING 227 FLATS (111 X 1 BED; 89 X 2 BED; 27 X STUDIOS); ANCILLARY USES COMPRISING:COMMUNAL FACILITIES; 71 SQM OF STORAGE USE (CLASS B8) AND CRECHE (CLASS D1); LANDSCAPING AMENITY SPACE; NEW VEHICLE AND PEDESTRIAN ACCESS

The panel were strongly opposed to both schemes as they would harm the significance of the Local Heritage Asset and collectively involve the total loss of the Local Heritage Asset. They raised attention to the awkward relationship between the two proposed developments, such that if only one was to be approved, the junction with the retained building elements in the other plot would be problematic – both practically and visually. They confirmed that they did not have an objection to the loss of later extensions and that their primary concern was the oldest part of the existing building – particularly the front wing.

They were critical of the quality of the visual material provided and argued that this made assessment more challenging. They raised concern with the scale of the

proposed new builds, but felt more detailed comments would not be appropriate in the absence of better quality material, such as accurate 3d visuals.

OBECTIONS

D) LEE CIRCLE, CITY INDUSTRIAL UNITS

Planning Application [20180097](#)

DEMOLITION OF BUILDINGS AND CONSTRUCTION OF 7-11 STOREY BUILDING WITH 143 FLATS (14 X STUDIO, 65 X 1-BED AND 64 X 2-BED)

The panel did not object to the loss of the existing buildings or to the general principle of development on the site. There were a range of views on the proposed materials, with some panel members arguing that the use of brick tied the development in with other buildings nearby, while others proposed a more uniform finish of metal.

However, they were concerned that the proposed building height would be excessive and would harm the setting of nearby heritage assets. They recommended a maximum of seven storeys across the site and in other emerging developments adjacent or close to the remaining heritage assets in the area.

OBJECTIONS

E) 20 ELMS ROAD, LAND ADJ

Planning Application [20180215](#)

VARIATION OF CONDITION 12 (SUBMITTED PLANS) ATTACHED TO PLANNING PERMISSION 20150301 (TWO DWELLINGS (CLASS C3) (1 4 BED; 1 X 5 BED) (TO ALLOW STONE COLUMNS AND MOCK SASH WINDOWS)

The panel felt that the windows as installed did not match that of the approved plans and that those installed are unbecoming the Stoneygate conservation area. Concerns were also raised with the front entrance columns and how they don't align with the door.

The panel agreed that if this application were allowed, it would set a dangerous precedence, which is not acceptable.

OBJECTIONS

F) 33 CHURCH ROAD

Planning Application [20171828](#) & [20172394](#)

CONSTRUCTION OF SINGLE STOREY EXTENSION AT REAR OF HOUSE (CLASS C3) & EXTERNAL ALTERATIONS TO GRADE II LISTED BUILDING

The panel unanimously agreed that a rear conservatory was unacceptable, as it

would undermine the well-considered elevation of the former stable block. This elevation forms part of a key view from Belgrave Hall Gardens and should be left as existing.

OBJECTIONS

T) 19 ST JOHNS ROAD [LATE ITEM]

Planning Application 20180273

DEMOLITION OF BUILDINGS USED FOR MEDICAL PRACTICE (CLASS D1); CONSTRUCTION OF SINGLE AND THREE STOREY BUILDING TO CREATE TWO DWELLINGS (2X 4BED) (CLASS C3); HARDSURFACING; FORECOURT PARKING WITH ACCESS FROM ST. JOHN'S ROAD; FENCING AND GATES

Concerns were raised over the loss of the original building, which the panel considered positively contributed to the conservation area.

It was recommended that the applicant convert the building back into residential use, whilst the modern side extensions could be demolished and replaced with a new detached house, of an honest design.

OBJECTIONS
