| | | <p>information received through the site. Action: Officer to take resident details.</p> <p>Residents reported speeding on Staveley Road, failure to give way onto Chesterfield Road, and parking on pavements added to the need for traffic calming. Residents were informed the area was being considered for a 20 mph zone for 2022/23. Action: Feedback on surveys and process to be followed to be brought to a future meeting,</p> | |
| 21. | CITY WARDEN UPDATE | <p>Darren Evans, the City Warden for the ward, gave an update on environmental issues in the ward. All to note:</p> <ul style="list-style-type: none"> • There was a decrease in fly tipping in December, but an increase in January. The City Warden continued to work on educating residents and landlords on fly tipping. • A new project began to clear up bins on the street and fly tips. All roads highlighted on the attached map fall under the scheme. • Issues with a garage on Ashover Road were resolved • A project to deal with issues relating to big bins on Draper Street was ongoing. <p>Residents reported a fly tipping problem on Elmfield Avenue, Oakfield Road, and Dixon Drive. Action: City Warden to bring roads under scheme.</p> <p>Concerns were raised about the littering issue on the side streets on Evington Road. Residents expressed frustration with the number of new takeaways being allowed to open on Evington Road. The City Warden reported the Evington Road Duty of Care would be commencing over the next few months. It was noted a community projection notice could be given to premises to look after a certain area outside. It was the responsibility of those littering and not the premises. Action: Councillors to consider a poster scheme in takeaways.</p> <p>It was explained that a Duty of Care was the legal responsibility of a business to ensure waste was contained and taken by a responsible contractor with waste transfer notes and registered as a carrier, otherwise the business could be fined and face court action.</p> | |

| | | | |
|-----|------------------------|--|--|
| | | <p>Residents reported issues with the bins outside Dominos on London Road, it was reported that bins were taking up space and blocking the post box. Darren Evans reported that he had been in contact the previous manager of the shop over these issues, but now there is a new manager. Action Darren Evans to speak to new Dominos manager.</p> <p>Concerns were raised about the student accommodation on St James Road. Darren Evans reported that the accommodation was on assisted collection but might be unsure about what they had to do. Action: Darren Evans to speak to housemaster.</p> | |
| 22. | HIGHWAYS UPDATE | <p>Abul Tarafder, the Highways Maintenance Leader, gave an update on Highways issues in the ward. It was reported that:</p> <ul style="list-style-type: none"> • A scheme to make Linton Street, Rowsley Street, Sawley Street, and Kedleston Road one way passed the first stage of consultation. The second stage of consultation would begin soon. • A parking scheme on Herschell Street would begin on 16 March. • A 20mph scheme in the Evington Valley Area was programmed to be done this year. Speed surveys would be carried out in March. <p>Residents reported that:</p> <ul style="list-style-type: none"> • Cars were speeding on Staveley Road. A speed reduction scheme was suggested. • Bus shelters had still not been erected on London Road. • Bollards on Chesterfield Road were being constantly knocked over. Residents wanted to know how many times this had happened. • There were several potholes on St Phillips Road and Ashfield Road. # • There were parking issues on Oakfield Road and Ashfield Road as well as blocked gullies due to leaves causing flooding, residents wanted to know when the gullies would be cleared. • Residents asked if the top of St James Road would be closed to stop rat running. | |

| | | <ul style="list-style-type: none"> Residents wanted to know if the double yellow line on London Road would be enforced. Residents wanted to know how often Osmaston Road was patrolled by wardens and would like a Civil Enforcement Officer to attend the next meeting. Representatives from Darus Salam Mosque wanted to discuss suspension of residents parking for certain times with an officer. Action: Abul Tarafder to pass all points raised to the relevant council officer. | |
| 23. | PERSONALISED TRAVEL PLAN PROJECT | <p>Javed Shah, a Transport Development Officer, briefly outlined the Personalised Travel Plan Project (PTPP). A scheme which aims to encourage more residents to use sustainable transport methods such as cycling and public transport. (Information appended)</p> <p>PTPs would be introduced to try and reduce traffic and congestion. 10 community events would be held from June to September 2020. Officers were keen to receive information on where to hold events.</p> <p>The engagement period would be held in two parts, before the survey, there would be free information, walking/cycling maps available. Following which there would be a second survey to establish how residents has changed how they commuted.</p> <p>Residents questions were answered, confirming that e-bikes and car pooling will be part of the scheme.</p> <p>Residents raised concern that they did not see traffic wardens enforcing yellow lines, with people regularly parked on them. The meeting was asked to note there were only 55 wardens for the whole city, and that 28,836 tickets were issued in Stoneygate. Residents asked for a comparison on ticket numbers compared to other wards. Action: Statistics on traffic warden activity for the ward be brought to a future meeting.</p> | |
| 24. | WARD COMMUNITY BUDGET | <p>The Ward Community Engagement Officer read out the supported applications since the last meeting. Details of those applications are appended. 12 applications were supported, leaving a balance of £1165.01.</p> | |

Personalised Travel Planning (PTP) 2020

European Union
European Regional
Development Fund

SYSTRA

What is Personalised Travel Planning?

PTP is an initiative to promote sustainable and healthy travel choices and to tackle traffic problems by encouraging residents of Wycliffe, Spinney Hills Stoneygate and North Evington Wards to try walking, cycling, catching the bus and car sharing for their everyday travel.

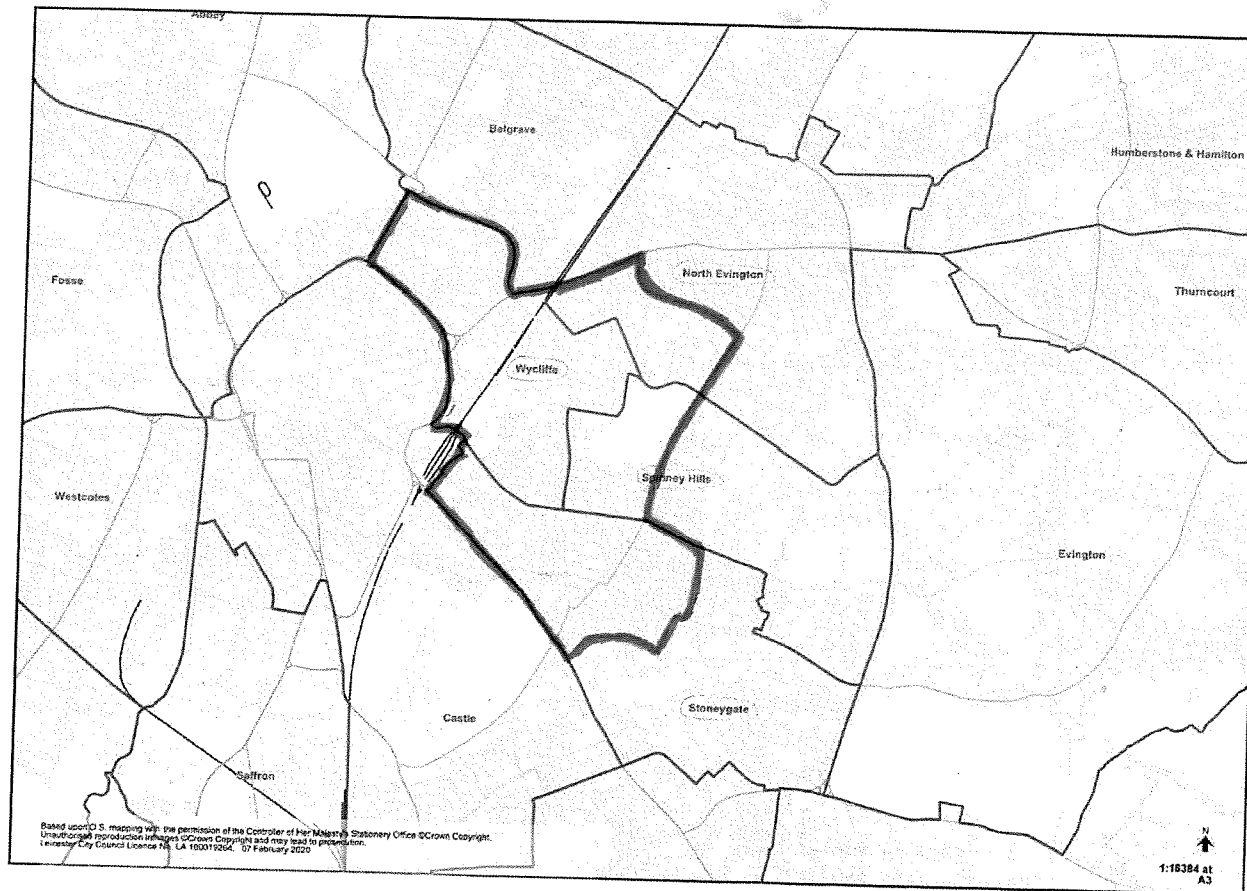

We will contact residents to offer them information, ideas and encouragement to try out new travel choices which will benefit them by saving them time, money, helping them get more active or just providing less stressful and more pleasant ways of getting around.

A team of Travel Advisors will visit households in the target area to open up dialogue with local residents, collecting travel information and sharing travel information. In addition we will attend local community events and meetings.

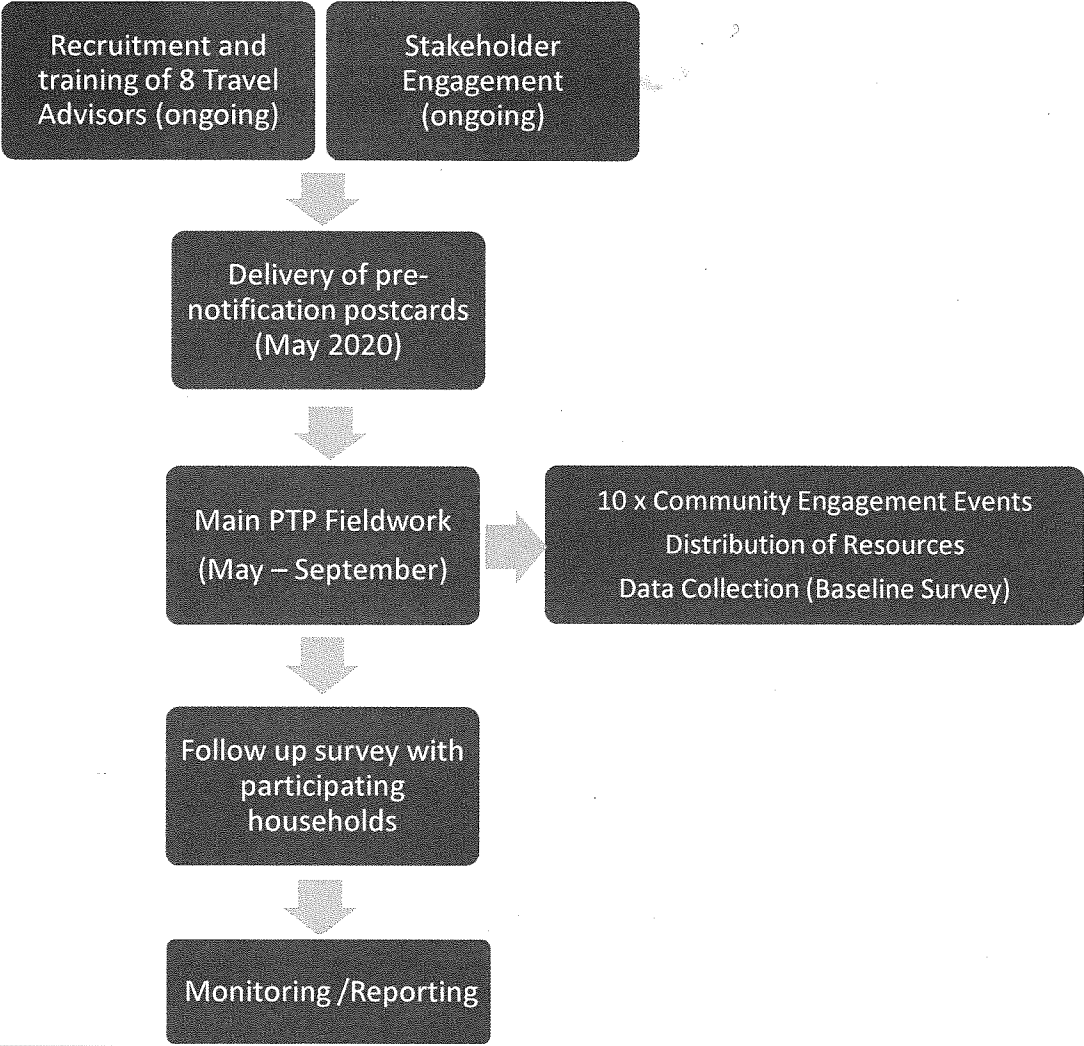

Travel Advisors will be equipped with branded clothing, identification, tablet computers and travel information resources including:

- Local information e.g. hire bike, cycle routes, cycle maintenance courses, cycle training, bus routes
- Discount vouchers such as Sketchers, Go Outdoors
- Details of upcoming events e.g. Led Walks, Dr Bike Sessions

How you can help

- Spread the word in the communities you work with! We'll be knocking on doors with branded fleeces and ID.
- We'll be launching recruitment shortly for Travel Advisors too.
- Let us know if there are any local events, meetings, or other opportunities we could utilise to get us face-to-face with local residents - we are looking at holding stalls at local schools at pick-up time or parent events, having a stand at local libraries or other locations with high footfall e.g. local shops.
- Give us any feedback/local knowledge that might help steer our Travel Advisors
