

Area Committee proposal assessment

Applicant... Linwood Centre Community Association

Total cost £504

Objectives /local benefits

Establishment of facilities for community centre to help provide access to training and education for community groups...

Comment

Well laid out and detailed application for a project based at the Linwood Centre. This is on the margin of the Eyres Monsell and Freeman wards councillors may consider splitting the cost equally between the wards. This would be £252 against each budget.
