

## **Age UK Leicester Shire & Rutland Loneliness Prescription Service**

# Working with the 50+ group to overcome and prevent loneliness and social isolation

Troy Young
Assistant Director, Age UK
Leicester Shire and Rutland

- 50+ patients with non-clinical issues
- 1 in 10 people who visit the GP do so primarily because they are lonely, presenting non-clinical needs
- Many patients are living with long term health conditions and have <u>additional</u> social needs
- Recognises that social factors have an impact on health
- Connecting people to services and support that will promote healthy ageing

#### Phase 1: 2015- 2018

- Launched as part of Leicester Ageing Together
- Worked in 5 specific wards: Belgrave, Spinney Hills, Evington, Thurncourt and Wycliffe.
- Received 499 referrals
- 1300 referrals to other services
- o 1444 home visits

#### **Phase 2: April 2019- March 2021**

- Funded by National Lottery Community Fund
- Working with all G.P practices across city
- Restructured to incorporate short term and ongoing support
- Target:
  - Year 1: 160 people
- Year 2 : 200 people

- Connecting people to services and support
- One to one support- using volunteer mentors
- Ongoing support delivered through telephone befriending

#### Who are we connecting people to?

### **July Snapshot**

- Caring for Carers
- Telephone befriending
- Call-in-time
- Mentoring support
- Information and Advice
- Charity Link
- Health Through Warmth
- Home Energy Checks
- Last Orders
- Housing

#### **Next Steps**

- Continue to work closely with G.Ps and Care Navigators
- Work with the Primary Care Networks in the city to support social prescribing
- Case Study
